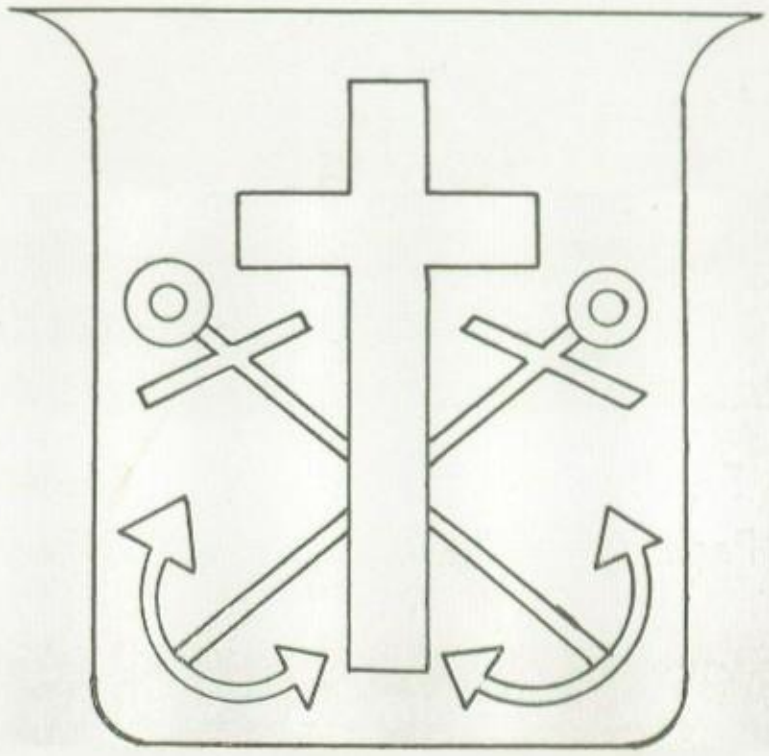
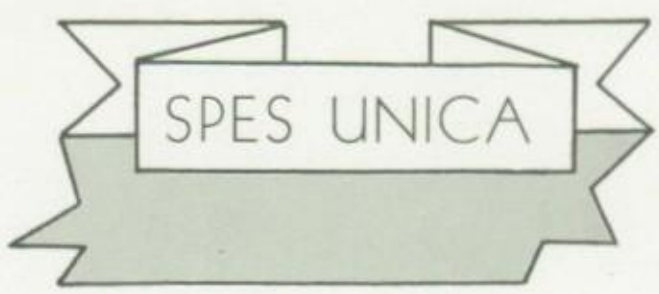
DEDICATION

Holy Cross —

One Hundred Years . . .





On May 13, 1857, the Constitutions of the Priests and Brothers of Holy Cross were officially approved by Pope Pius IX. Thus, the association formed twenty years previously became an official congregation in the Church.

In tribute to their patience and sacrifices in guiding us through our years at St. Anthony High School, and in celebration of their centennial year, we dedicate the 1958 ANTHONIAN to the Brothers of Holy Cross.

Theme

It takes much to make a Saint—a lot of study, a lot of prayer, and a lot of participating in school activities. Studies, prayer, sports, dances, and just plain fun are all a big part of what makes a Saint a saint.

His Eminence James Francis Cardinal McIntyre

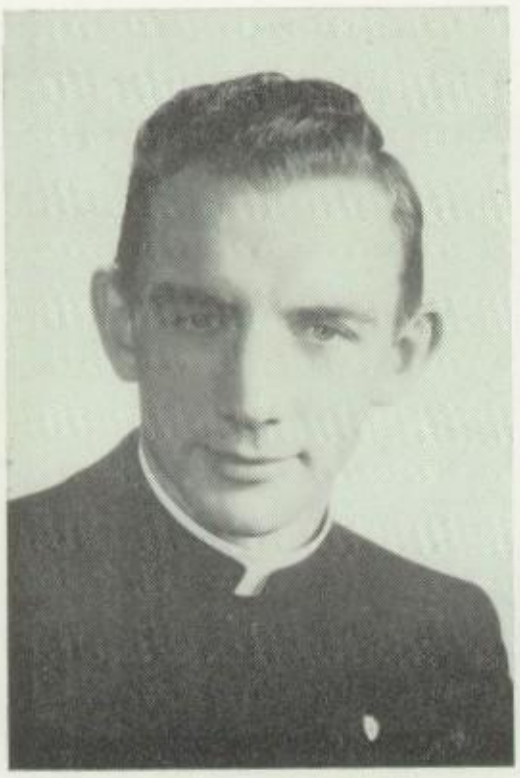
Archbishop of Los Angeles

Through his constant emphasis on Catholic education, CARDINAL McINTYRE exerts great influence in molding the students of the Archdiocese into better saints.

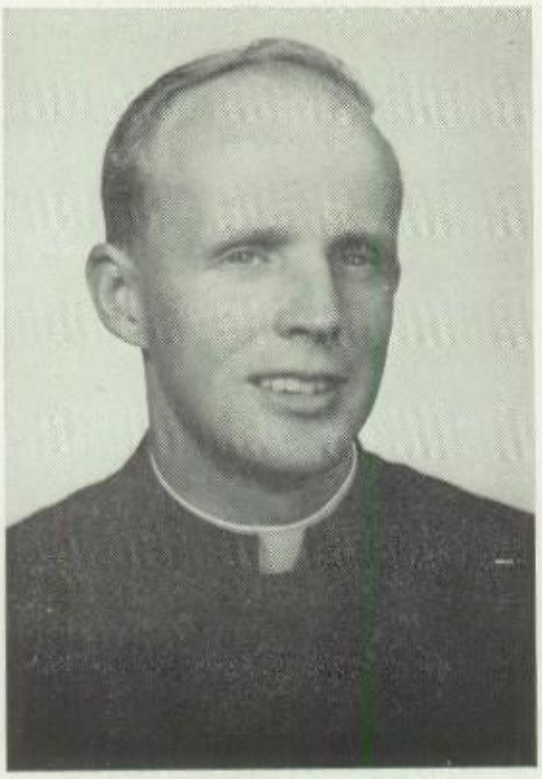
The Right Reverend Monsignor Bernard J. Dolan, P.A., V.F.

Pastor, St. Anthony Parish

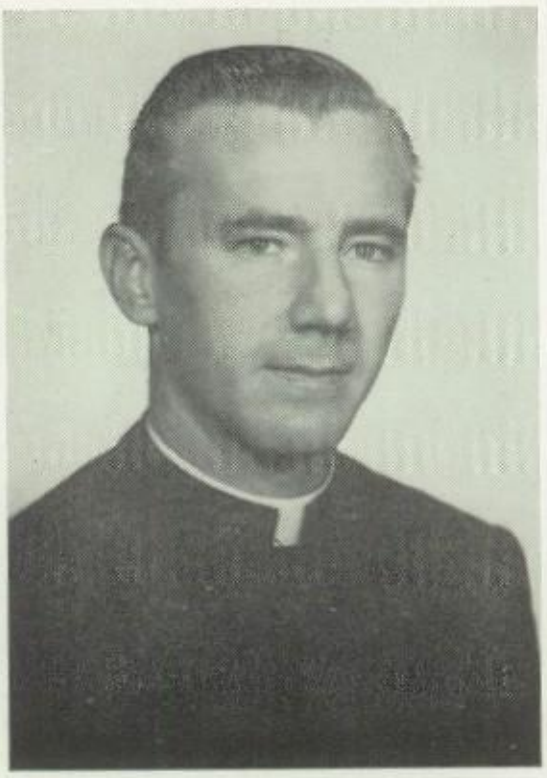
Monsignor Dolan has been the pastor of St. Anthony's for the past 20 years. During this time he has labored ceaselessly for the spiritual and physical welfare of his students. He has given true meaning to our theme this year of "making a Saint", and deserves our sincere gratitude.



Reverend Patrick Colleran



Reverend James Rothe



Reverend Edward Maddox

Reverend James Hansen

The Priests

The students of Saint Anthony are guided both educationally and spiritually each day by our priests. They prepare us for the many problems we may face in the world both before and after we graduate.

The priests have an entertaining way of teaching class, and we all certainly enjoy it.

The Student Council of the Boys' Department has had a very active year. The first purpose of the Council is service to the student, to the faculty, and to the school. To accomplish this service, a four point program, spiritual, scholastic, physical and social was developed. This program is illustrated by the Montage on the opposite page. Observance of various activities, such as the Adoration and monthly Mass program, intramural sports, scholarships and the like verify the fact that the Student Council has fulfilled its purpose to the school by carrying out its pledged program.

The Council has entered all phases of student activity; it has provided initiative and leadership in the school, and it has fostered greater relation between student and teacher.

Montage illustrates the Student Council's "Four Point Program."

To Make a Real Saint

Spiritual Advice

Interior of Saint Anthony Church

Religion class is the center of Saint Anthony's curriculum. The Saint becomes more intimately familiar with the truths of his religion, thus fulfilling God's plan to know, love and serve Him. The Saint strives for the true meaning of this year's theme—religion makes a Saint a saint.

Members of the boys' Sodality have lived up to their title as "Devoted Servants of the Mother of God." Greatly increased in membership in its second year, the PHI DELTA THETA strives for personal sanctification by good example to others in performance of spiritual activities.

At weekly meetings the members fill out check-lists of their spiritual activities of the past week, and ideas for means of encouraging students to more frequent reception of the sacraments.

SODALITY OFFICERS

Eileen Sperry, Publicity Chairman; Virginia Cooper, Treasurer; Pat McMahon, Prefect; Anita Brietfeller, Vice-Prefect; Georgette Hicks, Secretary; Carole Denham, Activity Chairman.

The Sodality of Our Lady is the heart and soul of the school. Through its aims and activities, the girls come closer to Mary, and through her, closer to Our Lord. Limited to upperclassmen, the Senior Sodality sponsors varied activities including Christmas baskets, assemblies, recitation of the rosary, social functions and biweekly meetings. What makes a Saint a Saint? First and foremost — the Sodality!

Below are members of the Ercharistic Committee of the Junior Sodality. Their goal is to promote a greater love of the Holy Ercharist and the Mass. In order to achieve this goal they have sponsored many activities such as their "Mass get-together." The entire committee participates by attending Mass and Communion, followed by breakfast in the cafeteria. This is just one of the many means by which the Eucharistic Committee attains its goal.

Y. C. S.

The Young Christian Students is a specialized Catholic Action movement for Students. At the weekly meetings, problems of student life are examined using the OBSERVE, JUDGE, and ACT technique. The goal of Y.C.S. is to create an atmosphere where it would be natural to act as Christ would act.

Y.C.S. was started at St. Anthony in 1951, and since then has been one of the most active in the Archdiocese. Seven out of nine Los Angeles Federation Presidents have come from St. Anthony, including this year's President, STEPHEN WALSH.

Activities of the past year included: a Summer Conference at Idylwild; the Winter Workshop at Ramona Convent; the annual Fall Rally Day at Providence High School; the "Leisure Time" Rally at St. Agnes High School on St. Patrick's Day, where the elecion of new officers was held. They also sponsored a Day of Recollection for the Senior Class.

Knights of the Altar

Knights of the Altar assist at Forty Hours Devotion.

The KNIGHTS OF THE ALTAR is a society founded to assist the priests in the liturgy of the Church. Participation in the Forty Hours of Devotion, Stations of the Cross, High Mass, Holy Week Services as well as daily Mass are all part of the excellent services rendered by these saints of the altar.

FATHER ELLWOOD KEISER, C.S.P.
Boys' Retreat Master

Our annual Day of Recollection, conducted this year by the Paulist Fathers, provided students an opportunity to think more seriously of their spiritual lives. Books and lessons were set aside and a spirit of silence prevailed. Exercises included: three conferences in Church at which the students were given advice to aid them in overcoming the serious obstacles in life; periods of silence for meditation and spiritual reading; and common recitation of the Rosary. Priests were available at all times for consultation and Confession.

A Saint's Mind in the Making

English Classes

The English classes help us to express ourselves more aptly in writing besides giving us a better understanding of the great literature of the world.

An appreciation of our language develops us into well-rounded and well-educated Saints. Proof of this is exemplified by FRANCINE STOREY who won four English awards—three for essays and one for her short story at the Immaculate Heart Creative Writing Day.

Spoken Mind of a Saint

Through many drills and patient practice, the members of the speech class strive to become better public speakers.

Representing St. Anthony's on the TB Students Speakers Bureau were Pat McMahon, Carol Fleming, and Lorreta Fota.

THE SPEECH CLUB

The speech club, in its third year, had an outstanding season with an extensive list of accomplishments. The club members participated in nine major tournaments.

SPEECH CLUB—(1st row) P. Kiley, R. Swanson, R. Ruggiero, T. Timmins. (2nd row) J. Peters, T. Falconer, T. Keith, H. Dankowski. (3rd row) J. McGill, G. Edelbrock, W. Rafferty, P. Thompson.

The Saint Learns

STARLET WORKSHOP, St. Anthony's Drama Club, has made great strides during its first year on campus. Under the skilled and experienced direction of Sr. Consilia, the club has been a benefit to the school as well as its members. Since the purpose of STARLET WORKSHOP is to educate in dramatics, guest speakers were invited to their meetings to talk in the fields of make-up, direction, stage effects, and acting.

"Evening Star," St. Anthony's contribution to the Immaculate Heart Drama Festival, was a tremendous success. This was evidenced by the number of awards it received. Although they vied with more experienced competition, PENNY CHANDLER and ROCCO RUGGIERO were named the third best actress and actor of the entire festival. "Evening Star" also received the best audience ovations over the two day period.

Pictured below are the Drama Festival judges: Sr. Consilia, I.H.M.; Mr. Wm. Croarkin; Mrs. Collette Adelsic; and Sr. Marie Fleurette, I.H.M.

Self Expression

Starlet Workshop's final production, "Beginner's Luck", was a three act comedy presented in the round. In the scene to the left is Meg McRay (Dorothy Martin), a would-be painter, sketching Pat Jordan, (Penny Chandler), while Toni Donato (Mike Moone), looks on.

Lucy Reggs (Silvana Treffry) discuss Chris Murray's (Daniel Mason) latest novel with him and Jean Masters (Colleen Cannon).

Madame Humperdinck (Elizabethann Madley) listens to Gail Fuller (Jackie Arboit) audition to the unhappiness of Chris Murray (Daniel Mason).

INTERNATIONAL DINNER

Although new on campus this year, the Catholic Junior Statesmen Club has become well-organized and has had a very active year. Bi-monthly meetings, held to discuss current events, encouraged members to take an active interest in world affairs. The picture above was taken at the Junior Statesmen International Dinner at which the members dressed in native costumes and dined on foreign foods. The year was climaxed by their attendance at a mock United Nations Assembly held at Loyola University on May 3.

CIVICS AWARD WINNERS

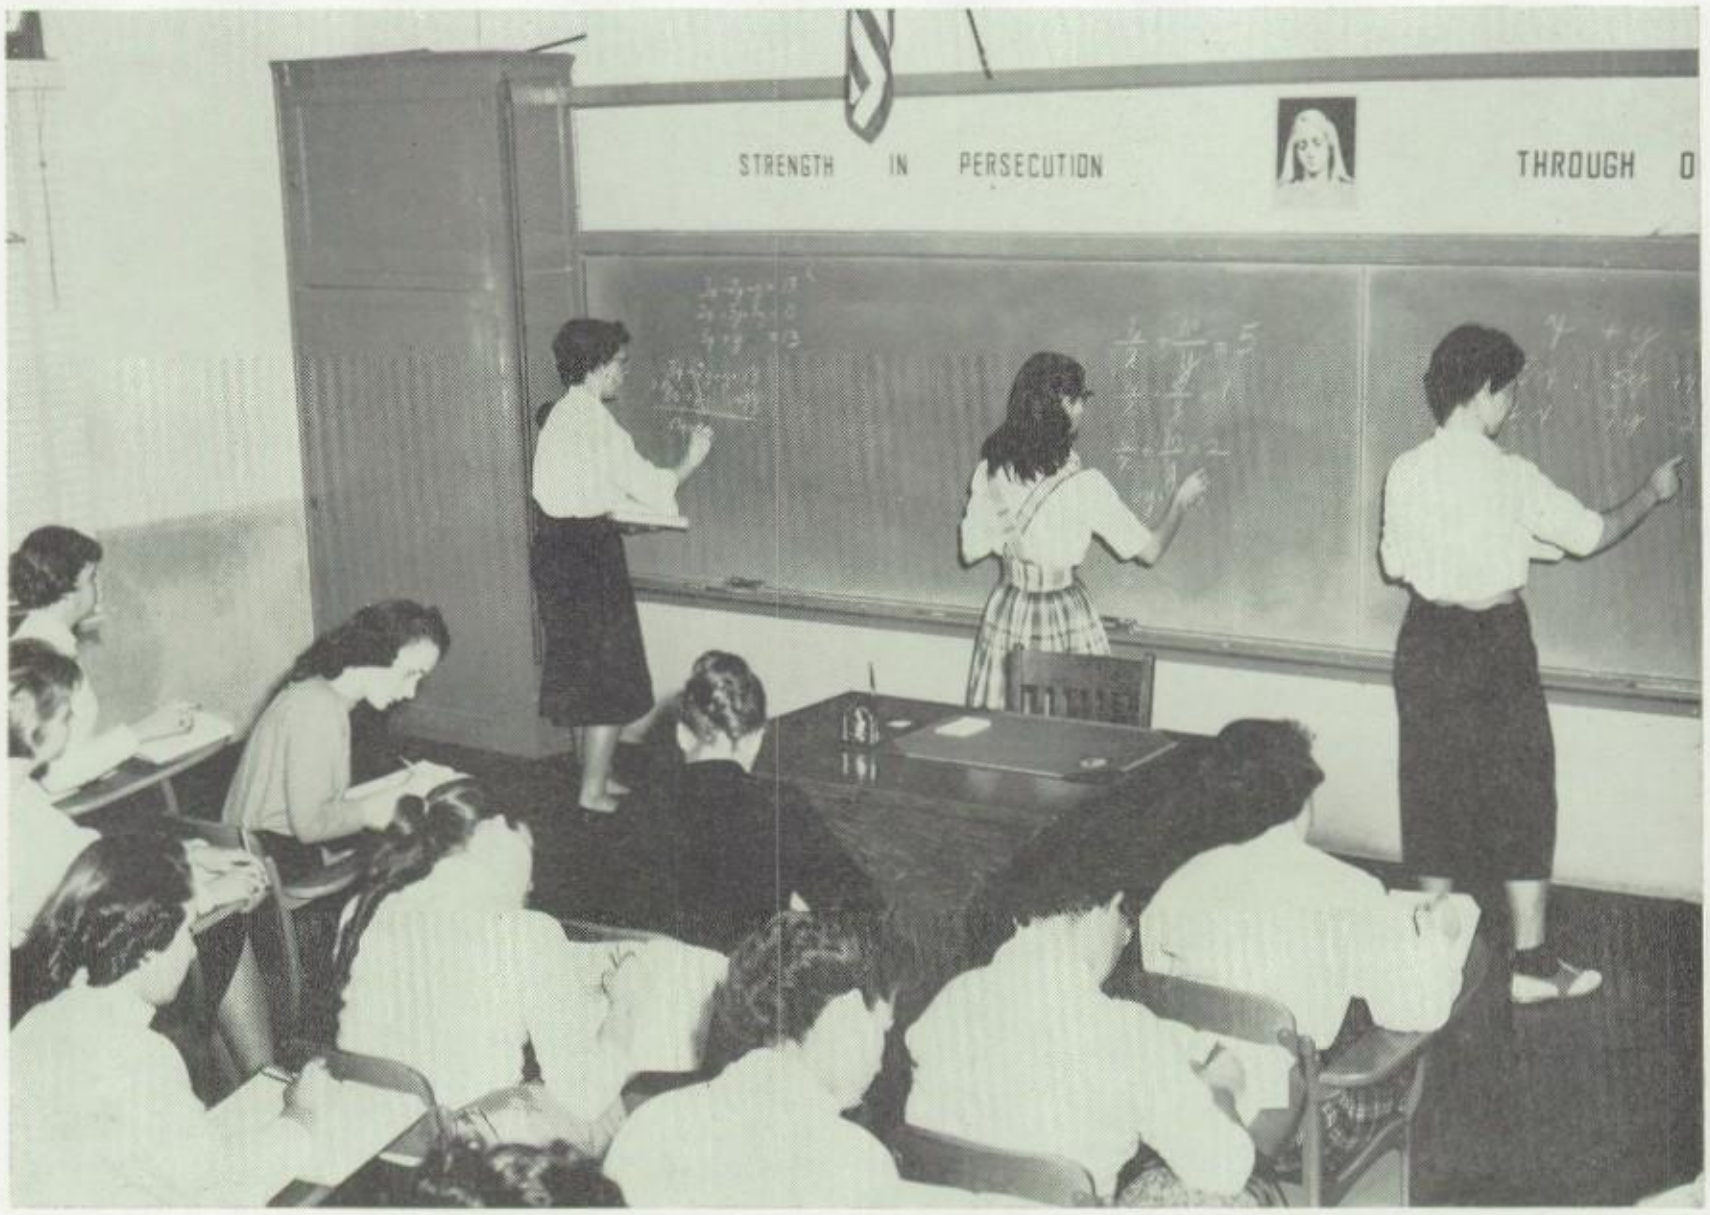
This year recognition was given to the student in each civics class who showed the most outstanding interest in world events. The Our Times Publications awarded bronze medals to **Loretta Fota, Nancy Trahey, Garda Anderson,** and **Ann Madley,** for their knowledge of and ability to discuss current events.

The Saint Conquers

Sharpening the mind helps to shape the Saint. From algebra I and plane geometry, the more dedicated mathematicians may continue with advanced algebra and trigonometry. This year, analytic geometry was offered to seniors as a step ahead in their college courses. Mathematics, the queen of the sciences, plays an important part in the life of every Saint.

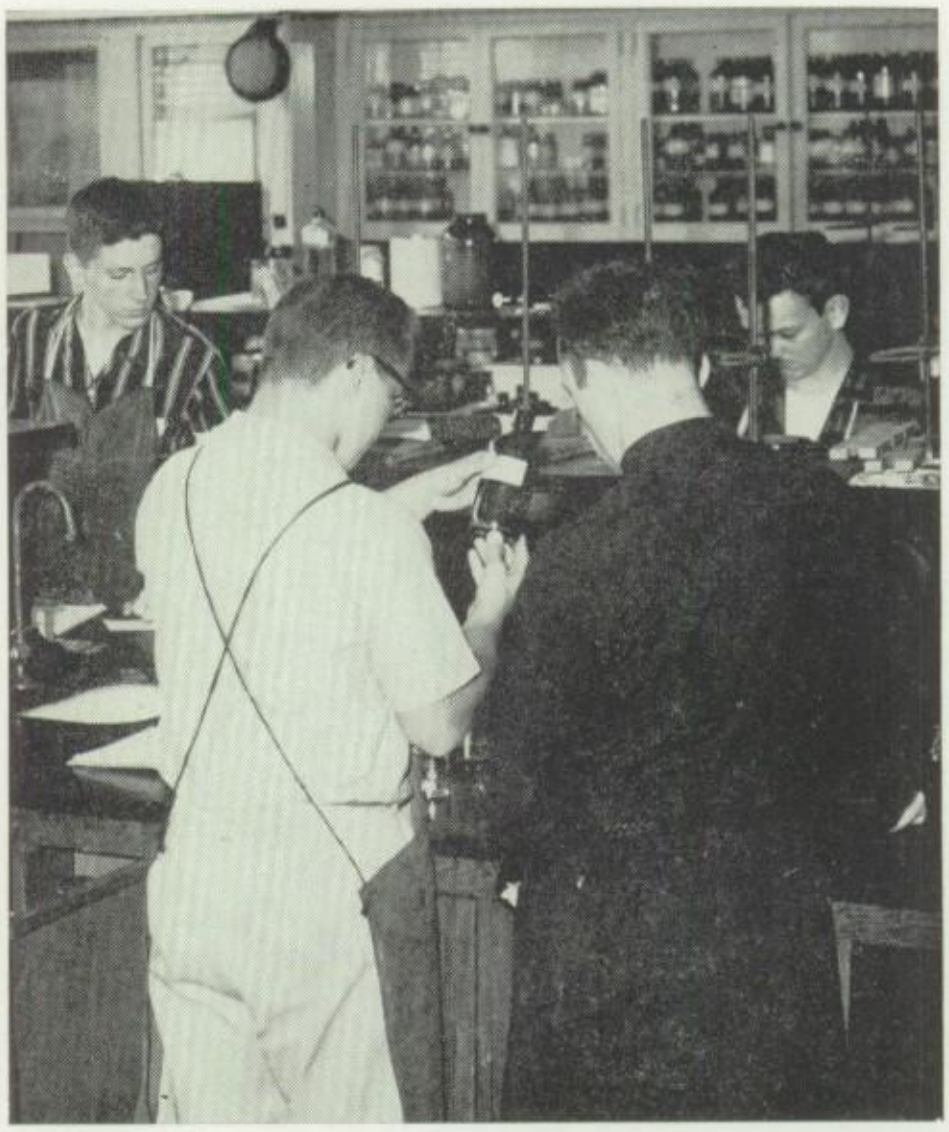
Mechanical drawing teaches accurate representations and line drawings for tomorrow's draftsmen.

Algebra and geometry challenges the students' minds and trains them to think more clearly.



Science

With Explorers, Sputniks, and baby moons on the horizon, the spotlight has turned to high school sciences. St. Anthony's gives its students a broad scientific background by offering courses in General Science, Biology, Chemistry, and Physics. The new, modernly equipped laboratories encourage experimentation and — who knows? — one of our Saints may become a prominent scientist of tomorrow.



HENRY DANKOWSKI will receive superior recognition on his transcript as the result of placing in the Seventeenth Annual Westinghouse Science Talent Search. Out of twenty-four thousand students in the nation trying for scholarships, he was awarded honorable mention as one of California's eighty-six finalists.

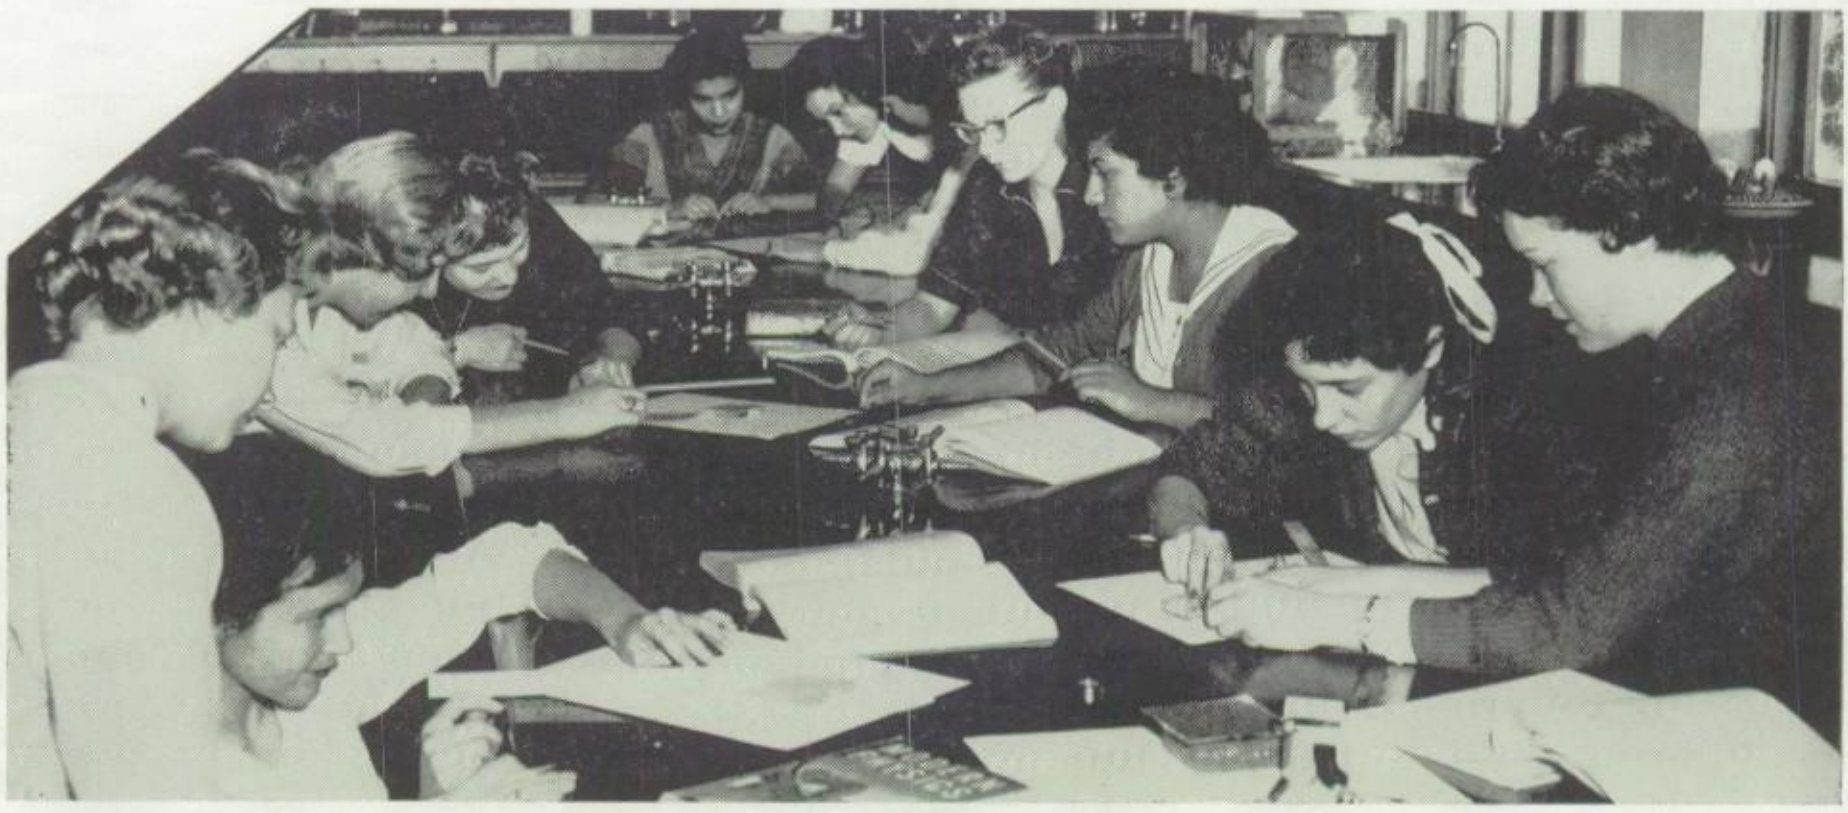
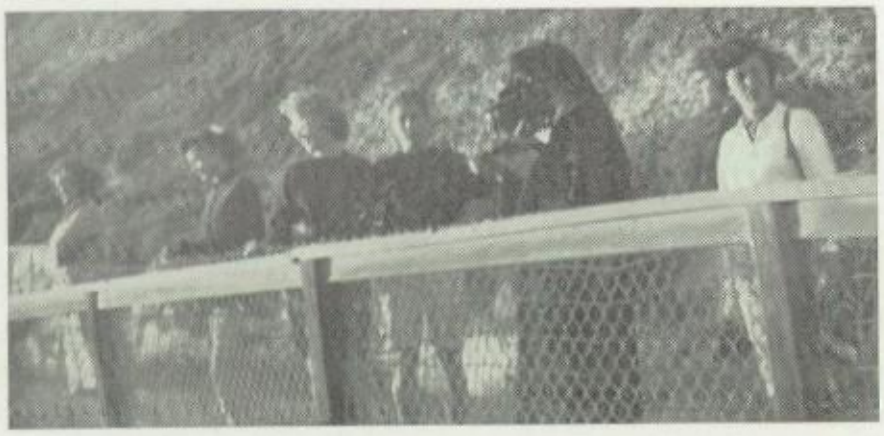
For the second consecutive year, MARY ALICE SHEA was chosen to represent St. Anthony's at the Immaculate Heart Science Symposium. This year, her speech on tuberculosis won third place honors.

Physically speaking, to find out "what makes it tick" is a rare experience.



Helen Gibbons, President; Judy Amadee, Vice-President; Alicia Sablan, Secretary-Treasurer.



Science Club

Bi-Phy-Chem, the girls science club, has had an interesting "scientific year." They furthered their knowledge of science through panel discussions, quest speakers, and field trips. At the left are snapshots of the tour of Shell Chemical Co., and the marine life hunt at Pt. Fermin.

Their annual Science Fair was a huge success. Pictured below are the Grand and First Prize winners: Carlo Benscheidt, Sharon Tobin, Joyce Hallmark, Linda Rahl, and Shareen Hodge. (Not pictured: Chris Robbins.)

The Business-like Saint

Future secretaries practice taking shorthand from dictation.

Typing provides many fields of opportunity as well as invaluable assistance in future college work.

Useful knowledge for all types of works is obtained in record keeping classes.

Learning the Spanish language helps us to understand and appreciate the ways and customs of many foreign countries.

An outstanding Spanish student, **Carol Cavert,** (below, left) represented St. Anthony's at the Foreign Language Festival at U.C.L.A., where she received honorable mention.

French Club

Les Joyeux-Coeurs, under the patronage of La Petite Fluer, the Little Flower, is the new French Club on campus. It's objectives are knowledge and appreciation of the language and customs of France. Under the supervision of Sr. Matthew the officers are: Vanja Juricev, Pres.; Judy Hutchinson, Vive-Pres.; Francesca Moore, Secretary; and Toni Moralle, Treasure.

To represent our French students, **Francesca Moore** attended the Language Festival at UCLA. Her efforts to master the French language were well rewarded when she received third place honors in her division.

French voices are captured as students speak.

Spanish Club Officers: Carol Gergen, Vice-President; Pat McMahon, Representative; Erika Vogt, President; Kathy Daley, Secretary; and Carol Cavert, Treasurer.

A Cultural Evening in Language was presented as the combined efforts of St. Anthony's Spanish and French Clubs. The program included a unique production of "Snow White and the Seven Dwarfs." The play was dramatized in Spanish and accompanied by songs sung in French. The pictures to the right depict scenes from the play.

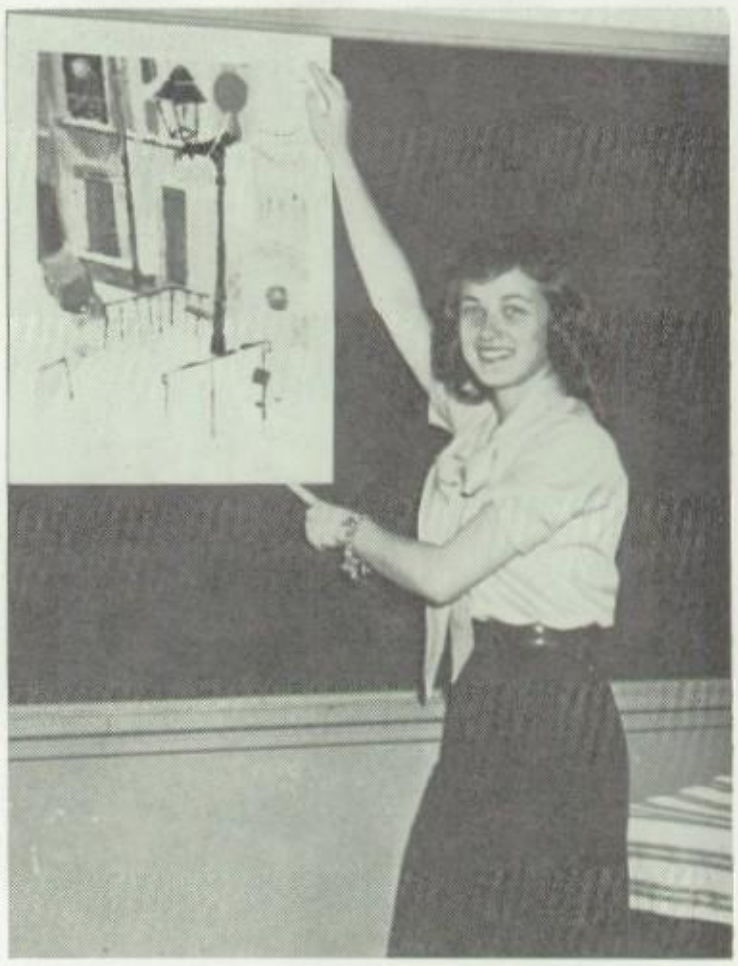
Art Department

Under the able guidance of Sister Luke, the Art Department has striven to develop the artistic side of the SAINT. Their success was evidenced by the number of students who won Art Awards in the Twelfth Annual Scholastic Art Awards Exhibition, co-sponsored by Scholastic Magazines and Bullock's Downtown Los Angeles.

The representatives from Saint Anthony's who won awards were: **Marilyn Miller** (1 Gold Key, 1 Blue Ribbon, 2 Certificates of Merit); **Sunni Ybarguen** (Hallmark Award Nomination); **Dorothy Martin** (1 Gold Key, 1 Blue Ribbon, 1 Certificate of Merit); **Maureen O'Hara** (1 Gold Key, 1 Blue Ribbon, 2 Certificates of Merit); **Anita Breitfeller** (1 Gold Key); **Sue Harmon** (1 Gold Key); **Gayle Coates** (1 Certificate of Merit); **Diane Marsh** (1 Certificate of Merit); **Elaine Andro** (1 Certificate of Merit). All in all, the Artistic SAINTS had a wonderful year!



Girls busy at art work.

The Art Classes this year have really been an experience. Painting with milk, drawing with string, and construction work with sand and plaster of Paris have added to the excitement. **Nothing ventured, nothing gained,** has been their motto, and many of the unusual art works turned out to be well worth their while.

Scholastic Art Awards Winners were: Marilyn Miller, Anita Breitfeller, Dorothy Martin, Maureen O'Hara, Sue Harmon, Sunni Ybarguen.

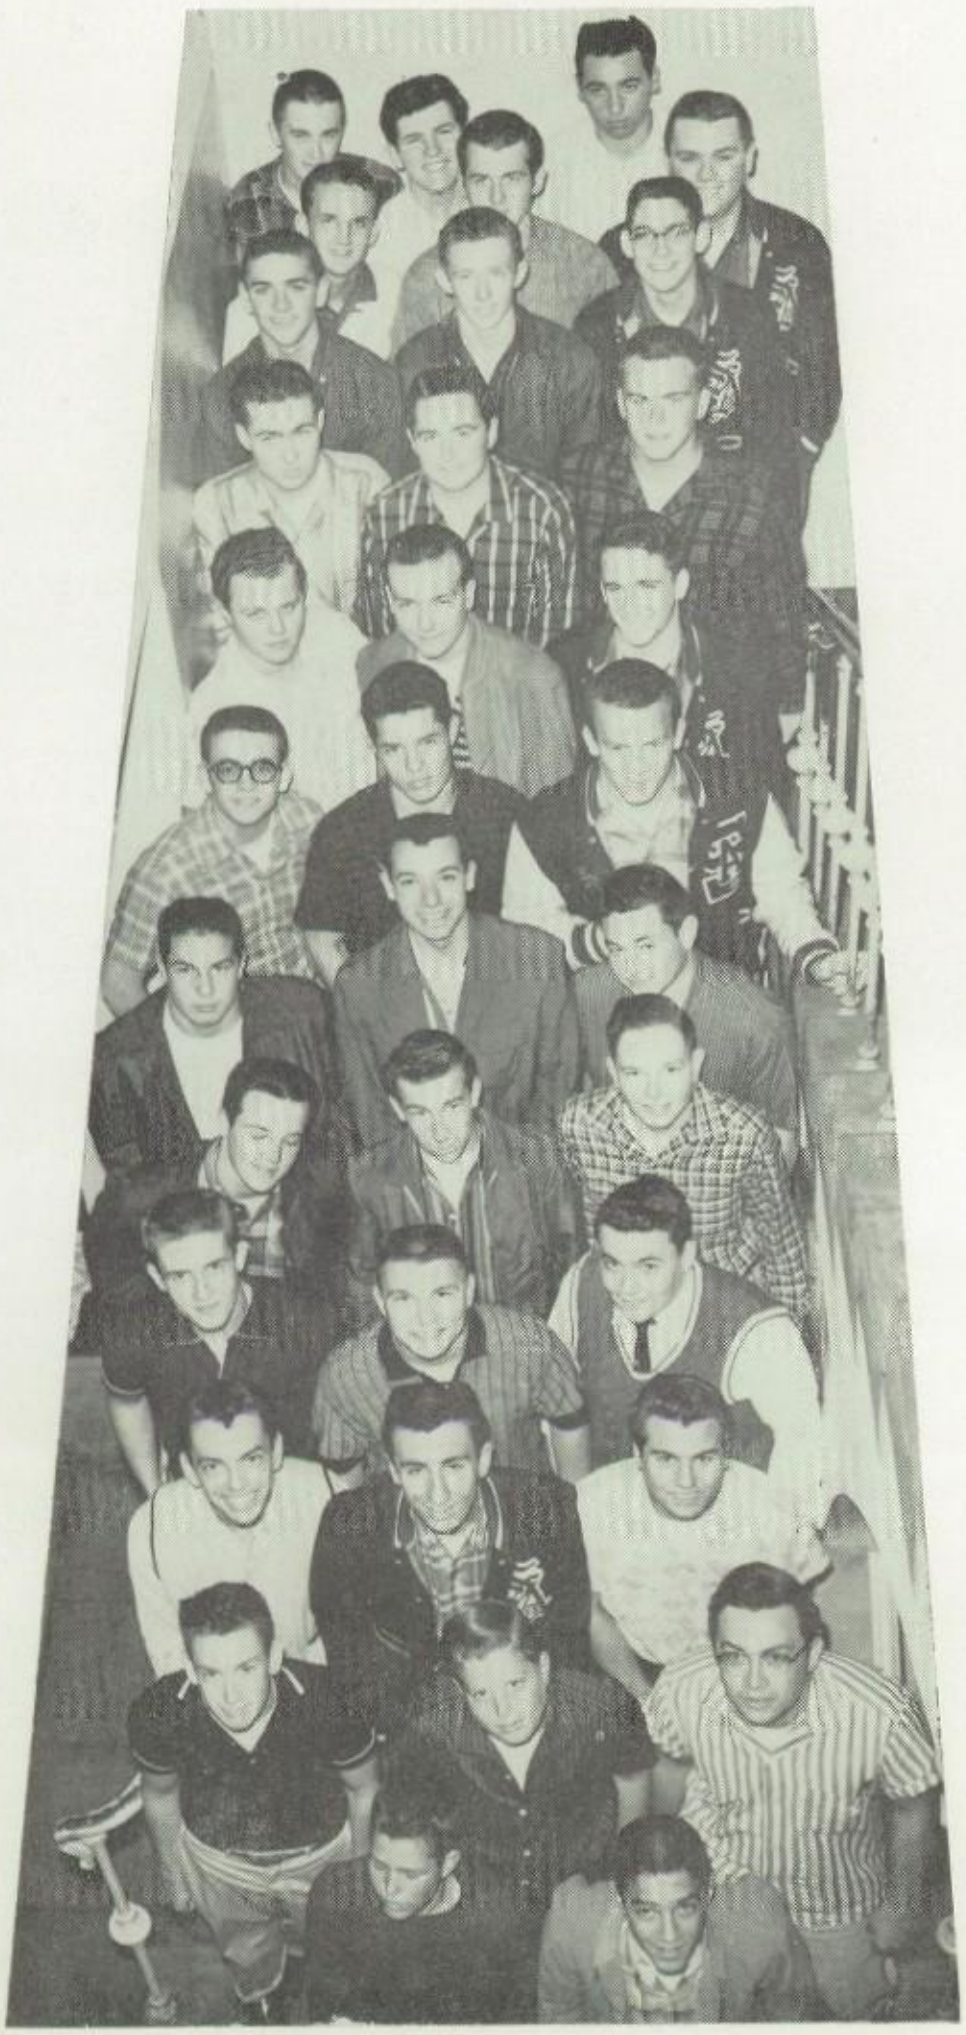
CSF



The California Scholarship Federation is an honor society giving recognition to deserving students who can maintain a ten point average in school work.

The prime purpose of a Saint's school life is a good education. In compliance with this emphasis, the CSF produces students able to meet today's problems and this honor society is an added incentive to strive for better grades.

The highest distinction for a member is to be a seal bearer, to earn the placement on their diploma the much coveted gold seal.

In sponsoring the annual awards assembly, the CSF completes the year by awarding to its outstanding students special honors for proficiency in various fields.

VARSITY ATHLETICS

MR. LEO HAGGERTY, Coordinator of Athletics

Dear Students,

A properly administered athletic program helps make it possible to develop Christian educational objectives expeditiously. In athletics, qualities relating to character and leadership are developed thereby providing appropriate leaders within the student body. Character denotes loyalty and moral courage acquired through self discipline; leadership denotes acceptance of responsibility, decision and initiative.

The only time athletics can be justified in the school curriculum is when total development is taking place not only in the athletics but in the whole student body as well. Properly administered athletics also adds prestige, color, and unity to the school. It is an avenue of education through physical, mental, social, and moral development. In acquiring these traits, the students attain a more stable and well rounded personality which enables them to become better citizens and more successful individuals throughout life.

Many parents, teachers, and administrators feel that athletics interferes with the academic education of the student. It has been brought out by surveys conducted by many of our top educators that athletics has helped and not hindered academic development. These educators cite poor academic work as being the result of unsatisfactory home conditions, personalities, student interests, and work habits.

Athletics is dangerous to the school curriculum when conducted solely for monetary gain or personal glorification of either athletics or administrators. Under these conditions, student development becomes secondary and hence the primary purpose of athletics is defeated.

At St. Anthony's we are applying principles which result in a balanced athletic program thereby contributing to the attainment of primary objectives of good, sound Christian education.

Sincerely,
LEO J. HAGGERTY
Coordinator of Athletics

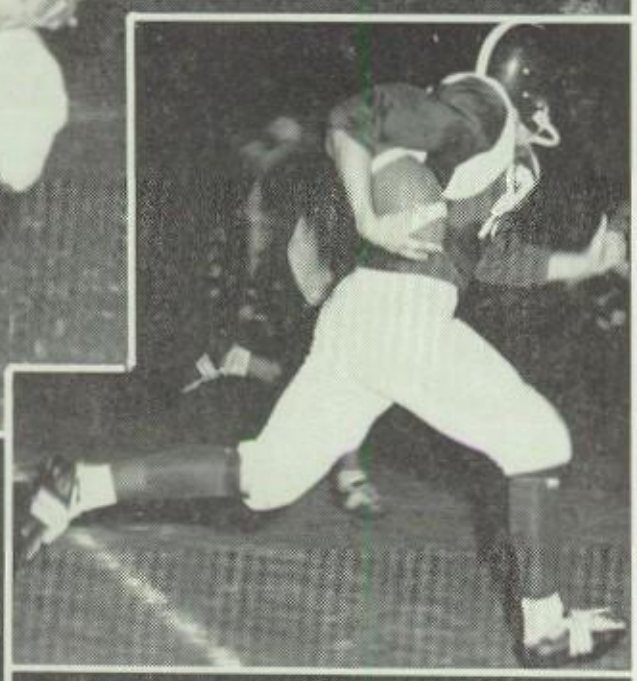
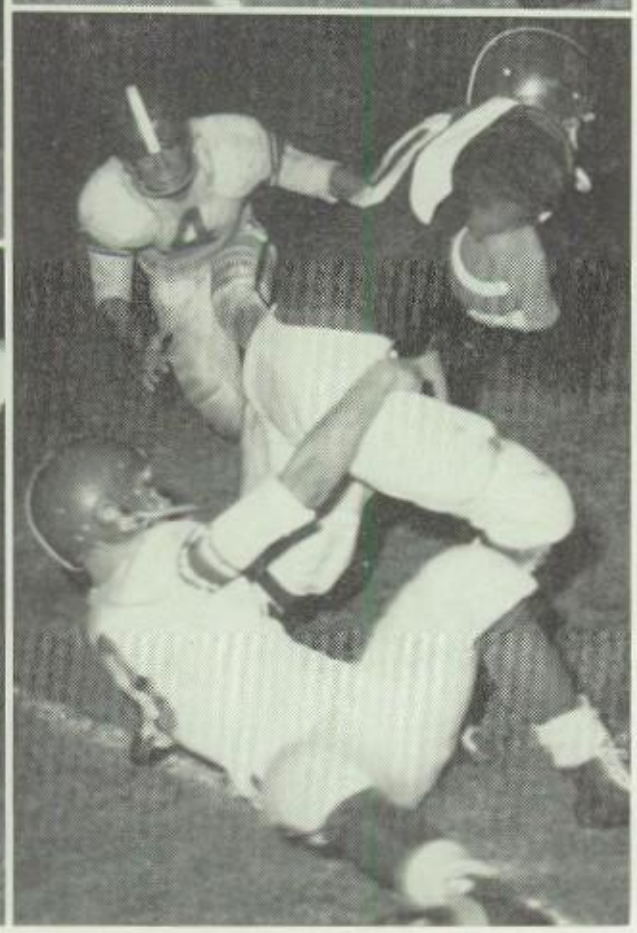
THE 1957 STORY





"SAINTS" 14 "TARBABES" 7

The SAINTS, sporting new uniforms and renewing and old rivalry, fought their way to a big victory over highly-touted COMPTON. The SAINTS and TARBABES, both picked to win their respective leagues, played a thrilling ball game from the opening kickoff to the final gun. SCHILLING took the opening kickoff and raced 76 yds. through COMPTON defenders for the first score. ROMAN added the P.A.T. The second touchdown of the night was a 26 yard scamper off tackle by ROMAN; AL also kicked the extra point for his second P.A.T. of the game. Late in the fourth quarter the TARBABES threatened to tie the score, but a fine defensive, led by WURTH, CASAGA and safetyman PAUL MAYNEZ, held COMPTON on downs at the 6 yard line. Other standout SAINTS who contributed to the victory were OSGOOD, JACQUEZ, OTERO, and NOONAN.

"SAINTS" 7 "LANCERS" 12

Hampered by the flu-bug, which kept six starters away from practice for a week, the SAINTS lost a 12-7 thriller to BELL GARDENS. The Saints dominated the first quarter scoring in its latter minutes. LOUIS FAUST set up the touchdown when he recovered a Bell Gardens fumble on the Lancer's 6 yard line. DAVE SCHILLING took over and carried the ball around left end for the score. WALT OSGOOD toed it through the uprights to make it 7-0.

The Lancers did their scoring in the second half on a four yard plunge and a long desperation pass.

The Saints brought the overflow crowd to its feet when they marched down to the Lancer three yard line with 35 seconds left in the game, but a fumble thwarted Saint hopes.

Bright spots in the Saint loss were produced as Noonan completed 13 out of 20 passes. CASAGA snagged 7 of them for a 10 yard everage. OSGOOD and SCHILLING both averaged close to 6 yards per carry.

"SAINTS" 14 "WARRIORS" 0

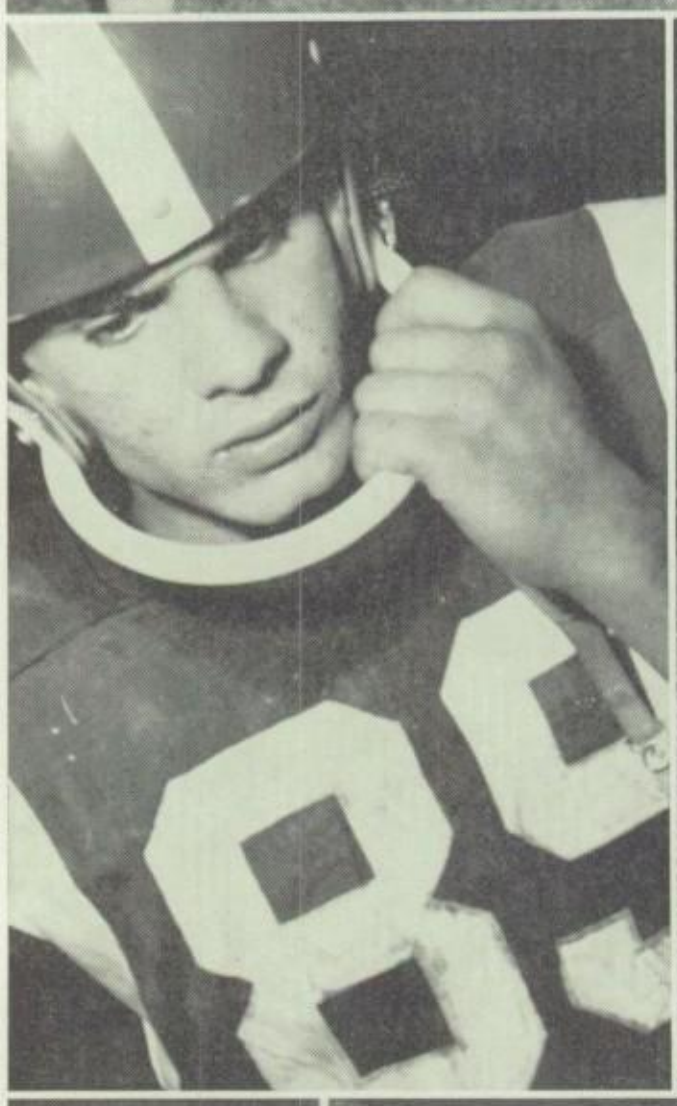
The SAINTS, playing before a home town crowd of over 3000, opened their 1957 Catholic League season with a 14-0 win over an inspired PIUS X eleven. Midway in the first quarter, reserve quarterback ESCUDERO set up the first T.D. Two plays later he handed off to MAYNEZ who smashed 5 yards over the right side of the PIUS line for the first score of the evening. Late in the fourth quarter, NOONAN came into the game and connected with three passes in a row to CASAGA, one of which he raced 25 yards deep into PIUS territory and set up the second score. With less than a minute to play OSGOOD brought the near capacity crowd to their feet when he bulled his way 7 yards over the right side to clinch the game for the SAINTS. ROMAN, who had kicked the P.A.T. after the first T.D., added his second of the night, thus ending the scoring against the WARRIORS with a 14-0 victory.

"SAINTS" 18 "PHANTOMS" 7

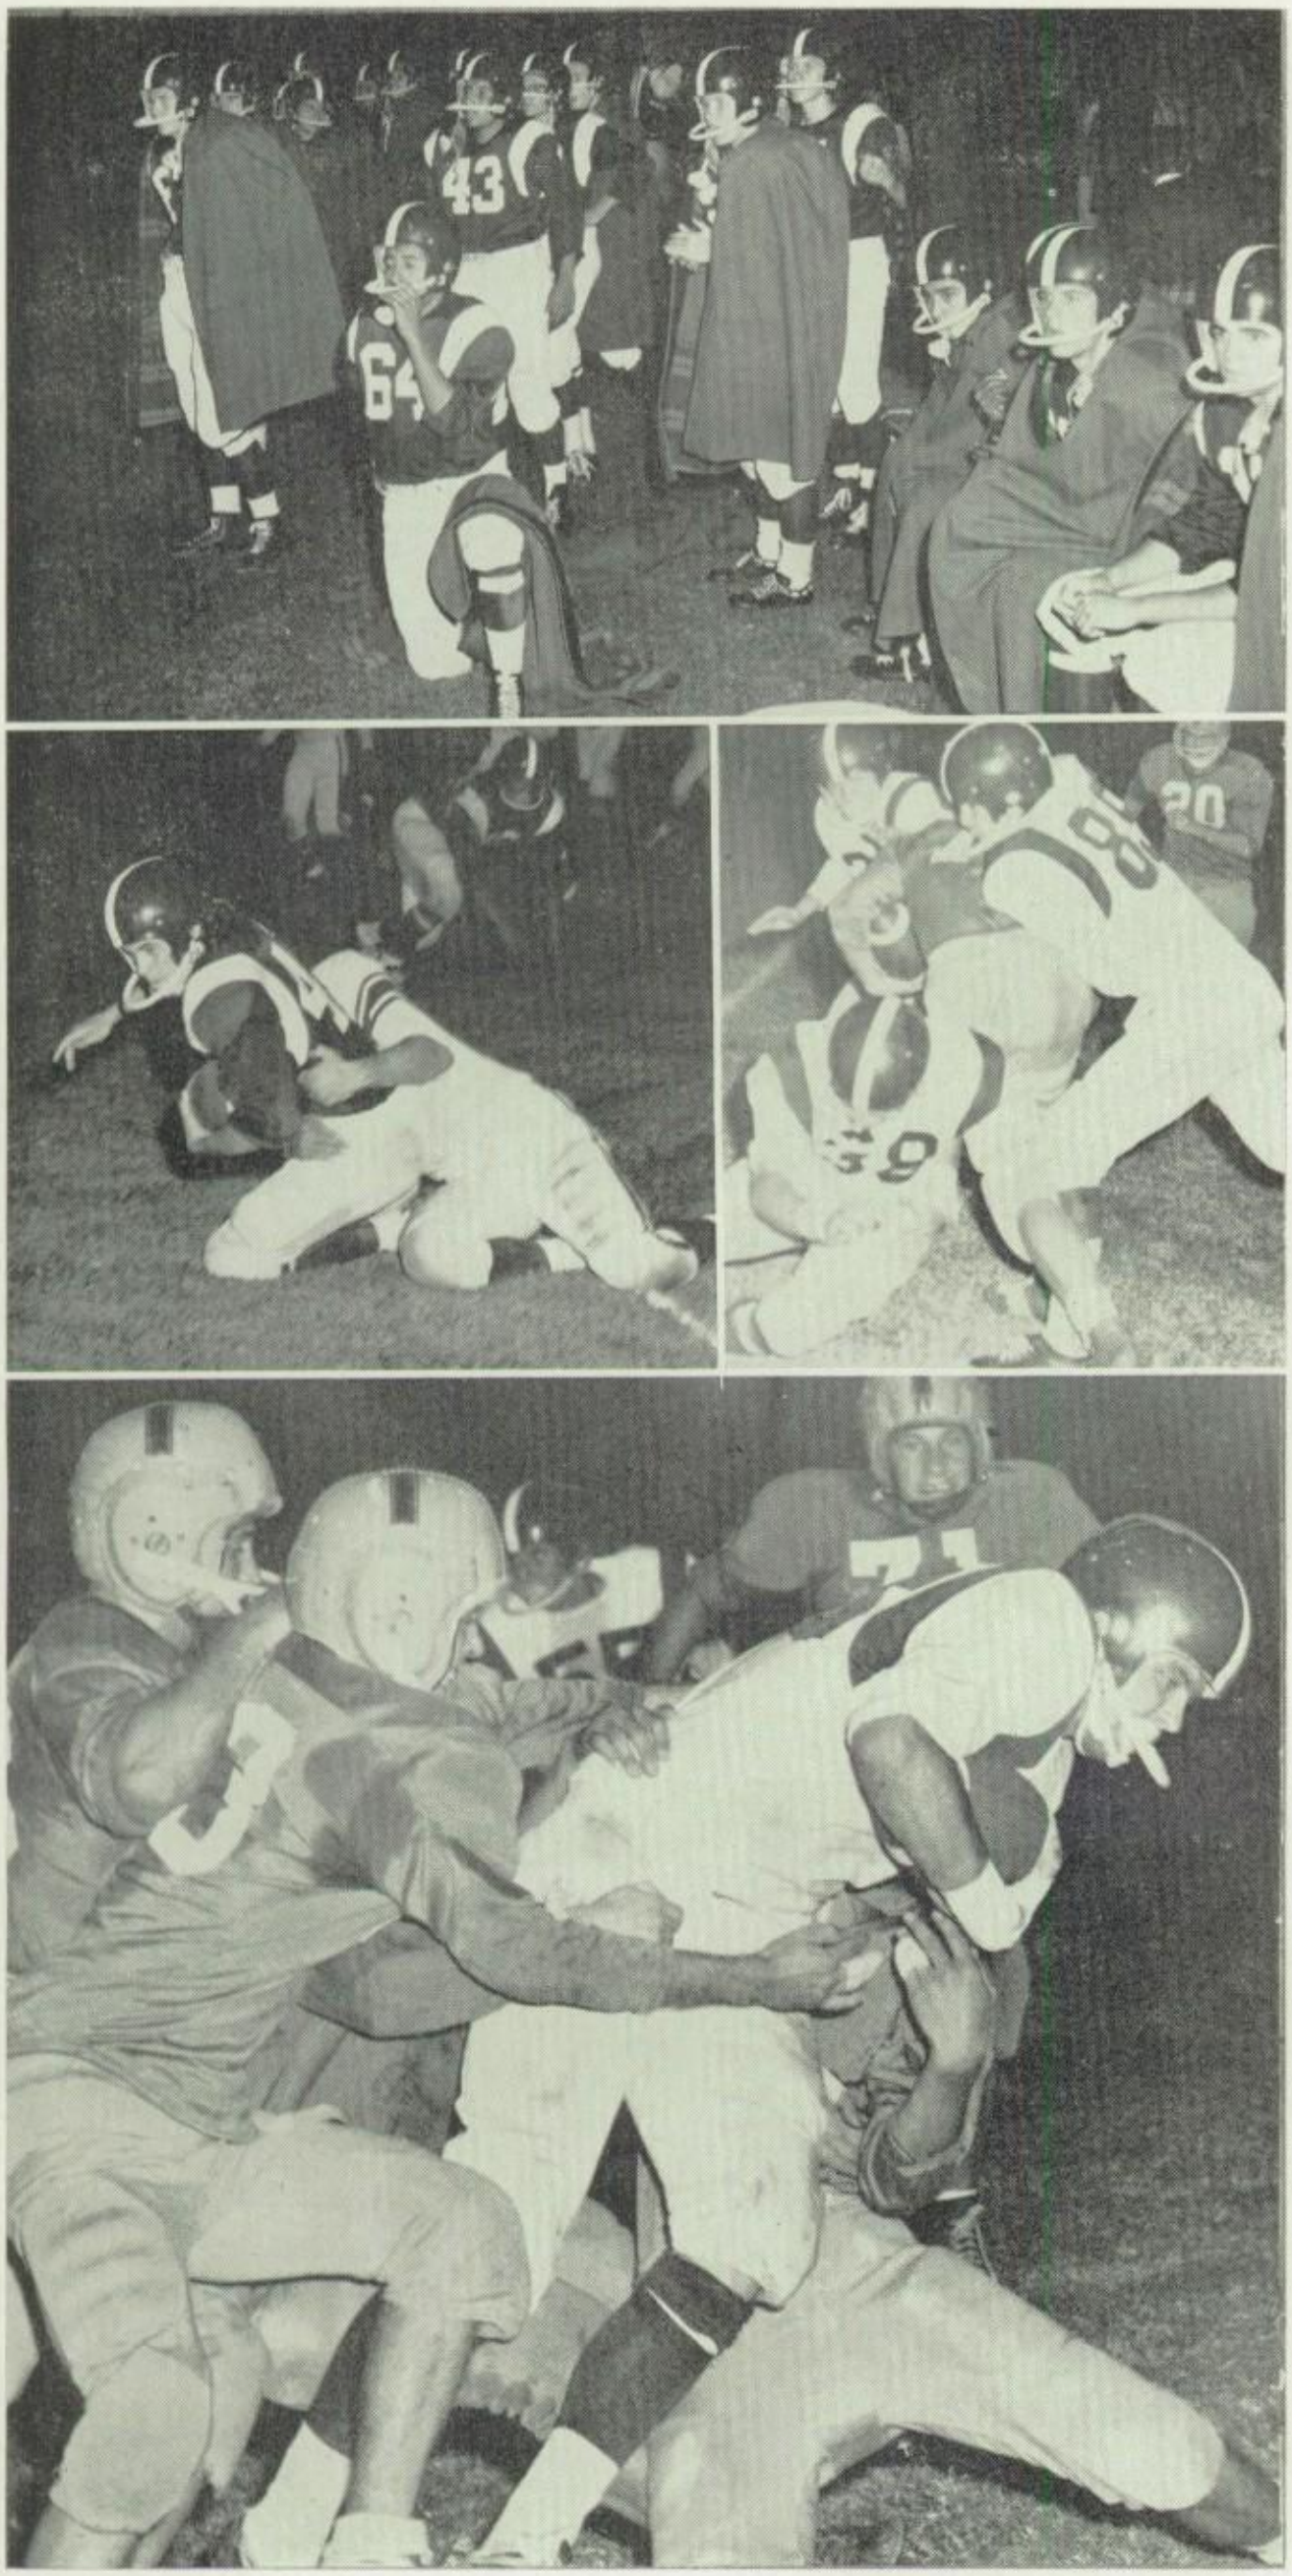
The SAINTS had to rely on the defensive tactics of junior LOUIE FAUST, and a 51 yard T.D. run by speedster DAVE SCHILLING, to pull this one out of the fire.

The SAINTS, late in the first quarter, went ahead in the game 7-6. After the SAINTS evened the score, junior tackle, LOUIE FAUST took over. The second SAINT score came in the second quarter when FAUST came charging through the line and blocked a CATHEDRAL punt which was recovered on CATHEDRAL 3 yd. line by the SAINTS. On the first play from scrimmage ROMAN bulled over for the T.D. making the score 7-12. Again FAUST proved himself by intercepting a pass on the CATHEDRAL 26 and lumbered into the end zone for a T.D. to complete the scoring.

The SAINTS stout defense proved the best weapon as the SAINTS picked up only 3 first downs offensively. They held CATHEDRAL on several crucial plays later in the game. The fine punting of OSGOOD also helped keep the PHANTOMS away from the SAINT goal line.



(Top) Roman drives for a score. (Middle L.) Casaga. (Middle R.) Destouet receives a word of advice from Coach Haggerty. (Bottom) "Oh, When the Saints come marching in!"



"SAINTS" 26 **"CAVALIERS" 6**

In a crucial game for the SAINTS, the CAVALIERS fell victim to the first real offensive "punch" shown by the SAINTS. MAYNEZ returned a punt 34 yds. to set up NOONAN's Q.B. sneak that put the SAINTS ahead 6-0. The CAVALIERS threatened to tie the score, but an alert and tough defense stopped them on the 3 yard line. The SAINTS took over and started a 70 yard drive, highlighted by OSGOOD's 14 yard T.D. run off right tackle. After SERRA scored their lone T.D., SCHILLING broke the game wide open when he darted 60 yards for the first of his two dazzling T.D. runs. SERRA moved the ball to the SAINTS' 29 where again SCHILLING took off on a 71 yd run for the final score. SCHILLING played his greatest game, gaining 222 yards for an 11 yard average. The fine defensive play of CASAGA, WURTH, and DESTOUT, the offensive power of GOMEZ, JACQUEZ, HOLMES, OTERO, and ROMAN helped the SAINTS to win the big one.

"SAINTS" 45 **"KNIGHTS" 7**

Continuing their offensive power shown in the SERRA game, the SAINTS completely demolished a NOTRE DAME eleven. SCHILLING dashed off left guard for the first score. The second score came just a few minutes later when OSGOOD turned right end and stomped 73 yards to paydirt. SCHILLING intercepted a KNIGHT aerial, and ROMAN added two touchdowns before the half. Reserve H.B. MENDOZA accounted for all the SAINT scoring in the second half, with two T.D.'s. The second of his two was a scintillating 71 yard punt return. The KNIGHTS did not get on the scoreboard until the final two minutes, when their star halfback NODINE took an 11 yard pass for a score of 6. The SAINTS' powerful offensive showing almost overshadowed their brilliant defensive game. While offensively they gained 410 yards rushing, their tight defensive held NOTRE DAME to a mere 42 yards rushing. No one player could be singled out in such a game; it was truly a team effort and a team victory.

(Top) Team awaits final gun to end crucial Serra game. (Middle L.) Schilling brought down after a long gain. (Middle R.) Osgood and Casaga literally break N.D. man in half. (Bottom) Osgood drags four tacklers as another N.D. man comes to try his luck.

"SAINTS" 6 "CRUSADERS" 19

MT. CARMEL took advantage of two fumbles and an intercepted pass to hand the SAINTS their first league loss. It was a double loss for the SAINTS as halfback DAVE SCHILLING was injured and sidelined for the rest of the season.

The SAINTS drew first blood on the second play from scrimmage as SCHILLING took a pitchout from Q.B. NOONAN and, with the aid of a beautiful block by end MARTY JOHNSON, circled right end and out ran all CARMEL persuers for 68 yards and a T.D. The CRUSADERS tied the game up just before intermission when a CARMEL man picked up a Saint fumble and raced 40 yards to a score.

MT. CARMEL recovered another SAINT fumble on the kickoff following intermission. In six plays the burly CRUSADERS rushed for another score. The SAINTS recovered several fumbles within the CARMEL 40 yard stripe, but due to injuries could not furnish manpower to push over for a score. The SAINT defensive line played a fine game against a line which averaged 20 lbs per man heavier.

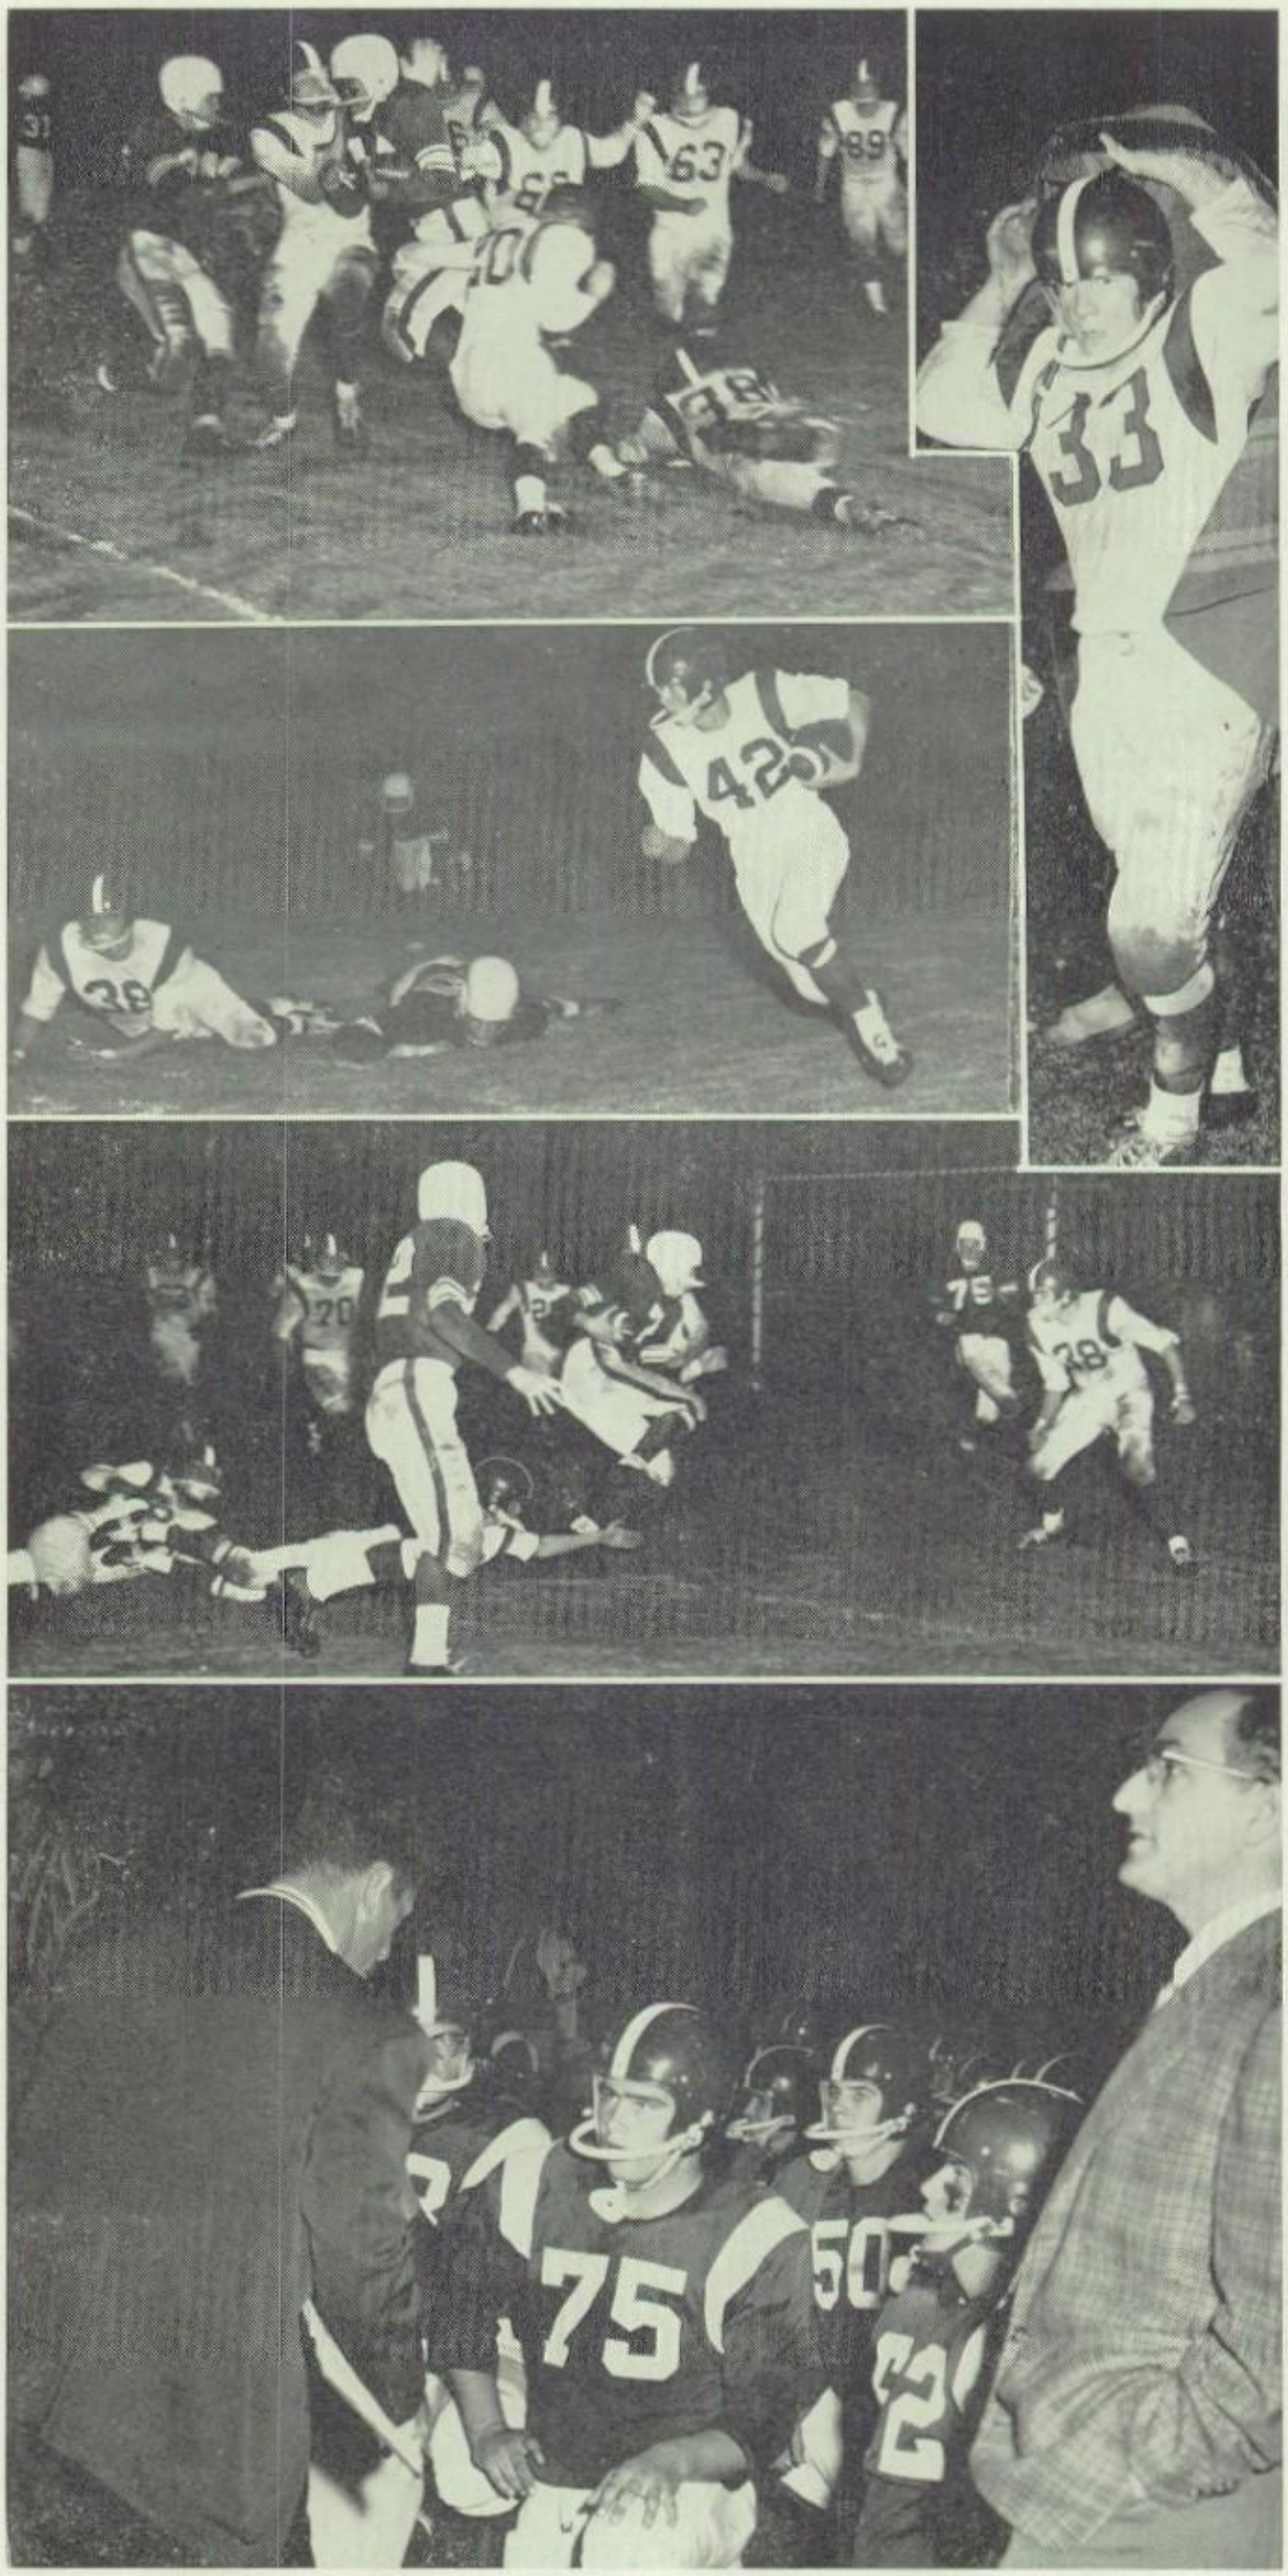
"SAINTS" 12 LOYOLA 6

The Saints unveiled a single-wing attack that resulted in two long touchdowns, and a 12-6 win over Loyola. ALLAN ROMAN took the ball around left end, fought off several tacklers, and got a crushing block from end JOHNNY GONZALES which set AL free for a 74-yard T.D. run and the first Saint tally.

In the second quarter tailback WALT OSGOOD faded back and connected with PETIE MENDOZA on a 30 yard pass down the middle of the field. The rest was up to PETIE as he raced the remaining 35 yards for the Saint's second and concluding T.D.

The Saints employed a stellar-pass defense against a wide-open "spread" offense of the Cubs. They did a fine job allowing only 11 completions in 35 attempts. The rushing of linemen GOMEZ, FAUST, JACQUEZ, DESTOUET, and VELA kept constant pressure on the Cub's q.b. Backs OSGOOD, NOONAN, ROMAN, GARCIA, and WURTH took care of the receivers. End GONZALES, turned in a fine job in his first starting assignment. RON CASAGA was his usual rugged self.

The lone Loyola score came in the 4th quarter on a 50-yard run back of an intercepted pass.



(Top) Wurth, Rivard (20) and Osgood (38) stop hard-running crusader. (Top R.) Holmes readies for action. (Top L.) Osgood's block enables Maynez to turn end. (Center) Saints defend goal against Mt. HOMECOMING

Schilling (40) and Jacquez (70) charge onto field, supported by Glee Club cheering section.

The 1957 season closes—the sweat, work and bruises will be remembered but shortly; the football, programs, and other equipment will be stored and soon forgotten. Some of the 1957 Saints will wear their cleats to a greater glory—most others will step into the ebb of ordinary life, soon also to be forgotten. But the happy memories of being a part of a team, giving and taking, winning and losing, will live in the memories of all the players for years to come.

"SAINTS" 32 **"CARDINALS" 7**

Before an overflow homecoming crowd, the SAINTS, fighting hard to stay in contention for the league crown, trounced a valiant CANTWELL eleven. The win gave the SAINTS undisputed second place in the CATHOLIC LEAGUE with a 6-1 record.

The first score came when NOONAN intercepted a pass and ran 18 yards to "paydirt". The SAINTS gained their second score when the CARDINAL fullback fumbled on the SAINTS' 34 yard line. The SAINTS recovered, and after a variety of running plays, OSGOOD drove the remaining three yards for the score.

At the opening of the second half, the score stood 18 to 7 in favor of the SAINTS. With OSGOOD in the tailback spot, the SAINTS opened up their single wing offense, bringing two more scores in favor of ST. ANTHONY. When the final gun went off, the score was SAINTS 32, CANTWELL 7. Outstanding SAINTS were OSGOOD, scoring two T.D.'s., NOVOTNY providing vicious blocking, and CASAGA performing excellent offensive and defensive end playing.

This year's Junior Varsity team had the distinction of being the youngest, most inexperienced J. V. team in recent years. Their season record however, recorded their desire and perseverance in gaining the real objective of Junior Varsity Football at Saint Anthony's High School.

After losing their first three games by margins of twenty-one points, the J.V.'s came on to drop close decisions to Notre Dame 7-0; Mt. Carmel 6-0; and tie Loyola 13-13. All of these teams were leading the League before encountering the Saints. Finally, the Jr. Saints blasted Cantwell 33-0 to finish cut their season.

After a successful practice season, the St. Anthony Jayvees lost four of seven games in the first round of league play in a mid-season letdown. Second round play saw them win seven in a row to close out a successful season, with third place in the league standings.

Well balanced scoring by Bill Connolly (176), Frank Gurzi (151), Rick Cortez (130) and Rick Sanchez (110) and tight defense were the keys to their fine record. Gurzi, Sanchez, Ed Joujon-Roche and Mike Toohey provided most of the rebounding, with Connolly and Cortez the playmakers. Ed Merino and Mike Whitmore were valuable replacements in many games.

Team members selected Bill Connolly as their Most Valuable Player and Rick Cortez as Honorary Captain.

Paul Maynez set three new school records in the 100 and 200 yard dashes, and the 180 low hurdles. Seniors Paul Duffy, Bob Holmes, Manuel Gonzalves, Tom Noonan, and Jim Kennelly were consistent scorers. Juniors Dick Wurth and Mike McCormick, and Sophomore Don Lipinski showed good promise.

One of the most active groups at Saint Anthony's is the Girls' Athletic Association. This organization exists to promote good sportsmanship and the other advantages of athletics among its members. To this end all of its activities are directed. Besides inter-class and inter-school competition and the annual basketball tournament, the G.A.A. this year sponsored two sports banquets — the Volleyball spread, the "Sportnic", and culminating the year's activities, the Awards Banquet.

Behind the Scenes

This year, THE 14th ANNUAL BASKETBALL TOURNAMENT was won by the spirited playing of the Saint Varsity. This spirit is an outgrowth of a well-organized association. Important to the maintenance of this organization are the G.A.A. section representatives who act as the strong link between the Executive Board and the members. Their work included, besides the reports of daily happenings, recruiting members for the card section and drill team, heading the Tournament Booklet Ad Drive in the sections and generally raising and maintaining the pep and spirit for which SAINT ANTHONY'S is known.

Social development is an essential part of education, for man is a social being and must learn to live in peace and harmony with his fellow creatures. Dances, canteens, assemblies, class "get-to-gethers" and the like, afford ample opportunity for social development and wholesome entertainment. Rarely did a week pass by at St. Anthony without some social event. From football canteens to the Prom, all aided in making the SAINT the social being that he should be.

For the first time at St. Anthonys, the Student Council presented a SADIE HAWKINS DANCE to which the girls invited the boys. Unique fruit and vegetable corsages, made by the girls for the boys, vied for prizes. In the picture above, the talented corsage-makers are seen with the masterpieces of their creation and the boys who wore them. They are (from left) B. Gurley, W. Caselden, P. Macias, D. Vergara, M. Shane and E. Beckler.

SR. MARY GRACE, I.H.M.

We can be justly proud of St. Anthony's Girls' Glee, under the talented direction of Sr. Mary Grace. Besides providing us with entertainment, they are active at many other functions.

Their spiritual activities come first, of course. The Glee acts as a choir at the 10:15 Mass on Sunday at St. Anthony's Church. At Father Cremins' special request the girls sang at the Cardinal's Mass celebrated at the Cathedral onChristmas. After this occasion, tedious work was begun on Du Bois' "Seven Last Words". By the number of compliments received, it was also an outstanding success.

The Glee Club has a practice session.

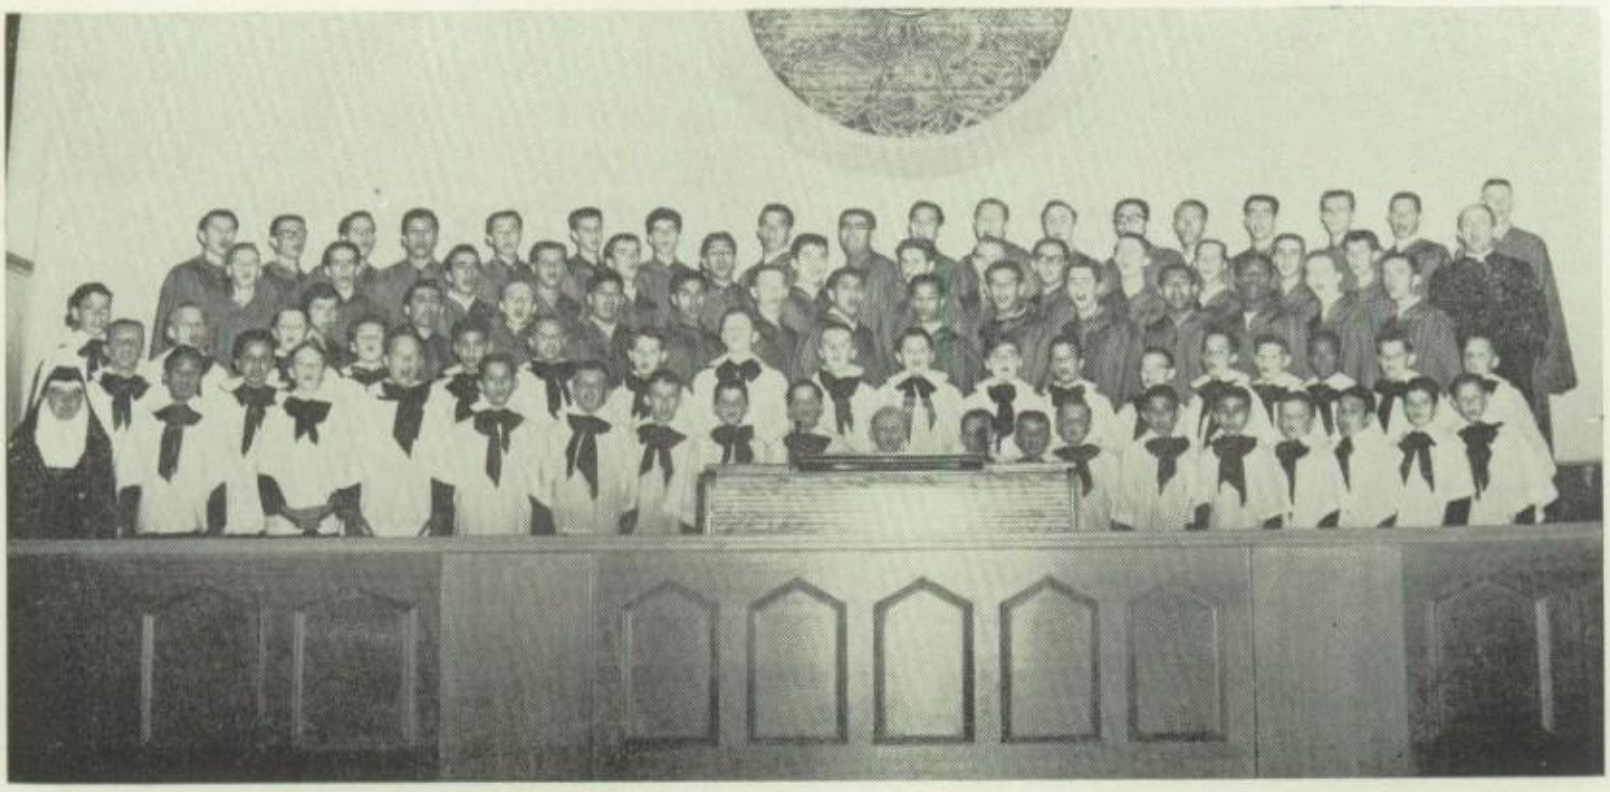
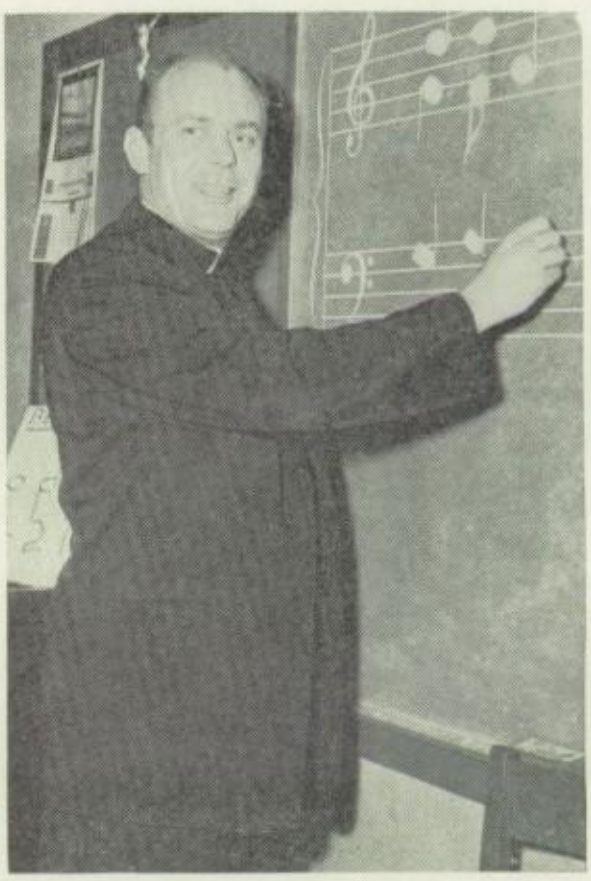
Highlighting the social activities of the Girls' Glee, were the presentation of their Annual Spring Concert, and their performance at Mount Saint Mary's Music Festival. As always, Saint Anthony's received superior rating at the Festival.

Their year of hard work and much success was brought to a close by a delicious and well-deserved banquet.

Boys' Glee Club



Combination of the grammar school choir and Glee Club perform together for greater feast days during the year.



Glee Club director, Father Hansen

The Boys' Glee Club has performed brilliantly this year in the liturgy of the Church. Under the direction of Reverend James Hansen, they have been an inspiring part of the celebration at the Christmas and Easter Masses at St. Anthony. They were aided by the grammar school boys' choir at the High Mass opening the Serra Club Convention.

They have established the school's musical reputation, as well as their own, with an impressive list of appearances including the Christmas Party at Allen Center, Terminal Island; the Long Beach City Women's Club; the Music Teacher's Association; the annual Christmas and Spring Concerts; the Newman and Lettermen Club banquets; and a superb performance at the Mount St. Mary's Archdiocesan Music Festival.

Having a cheering section of their own, the Glee Club contributed greatly to the spirit and enthusiasm of the football games besides livening up pre-game rallies.

The Glee Club, dressed in their new dinner jackets, and directed by Father Hansen, perform at the annual Christmas Concert.

Performance and Practice

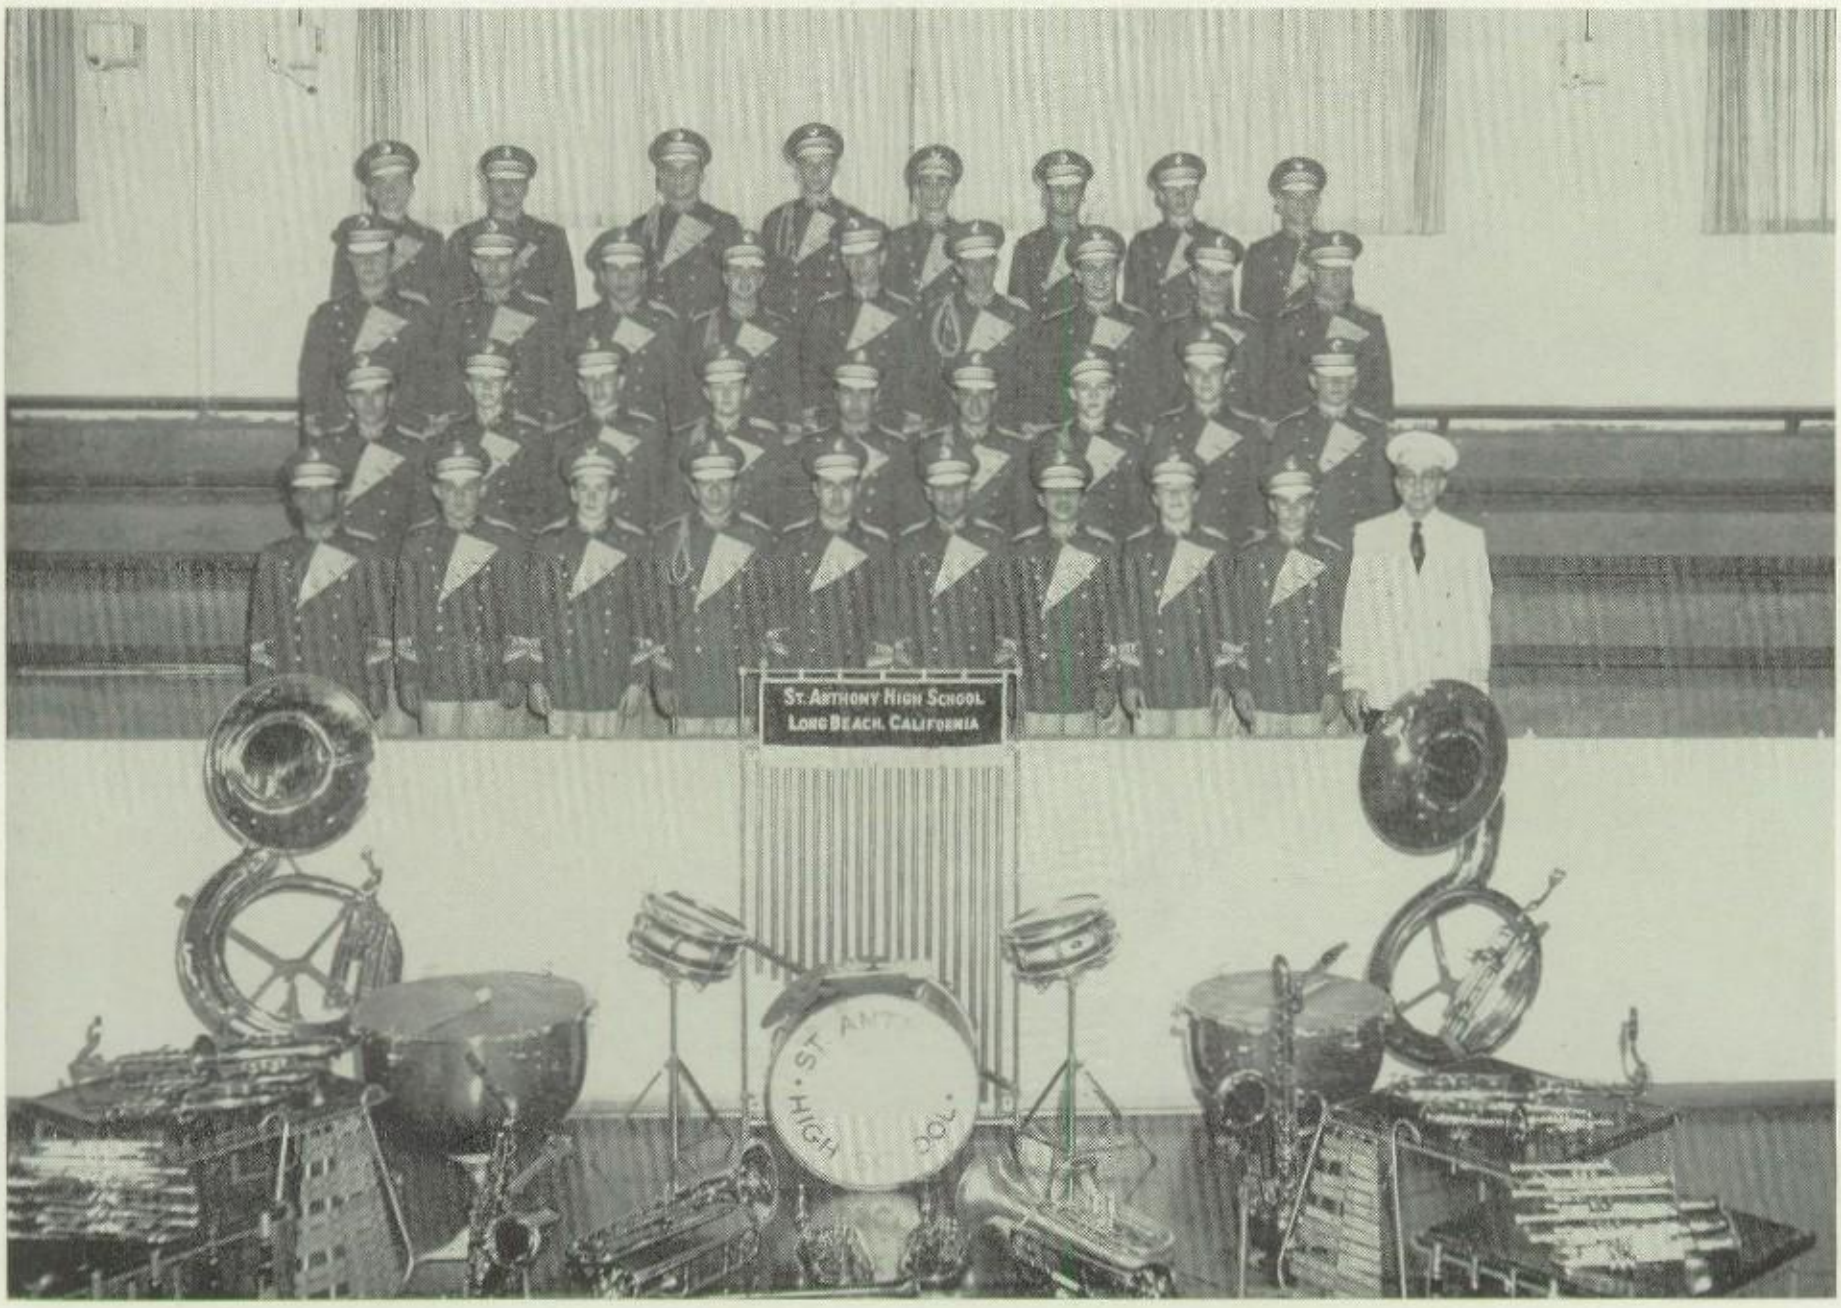
Varsity Band



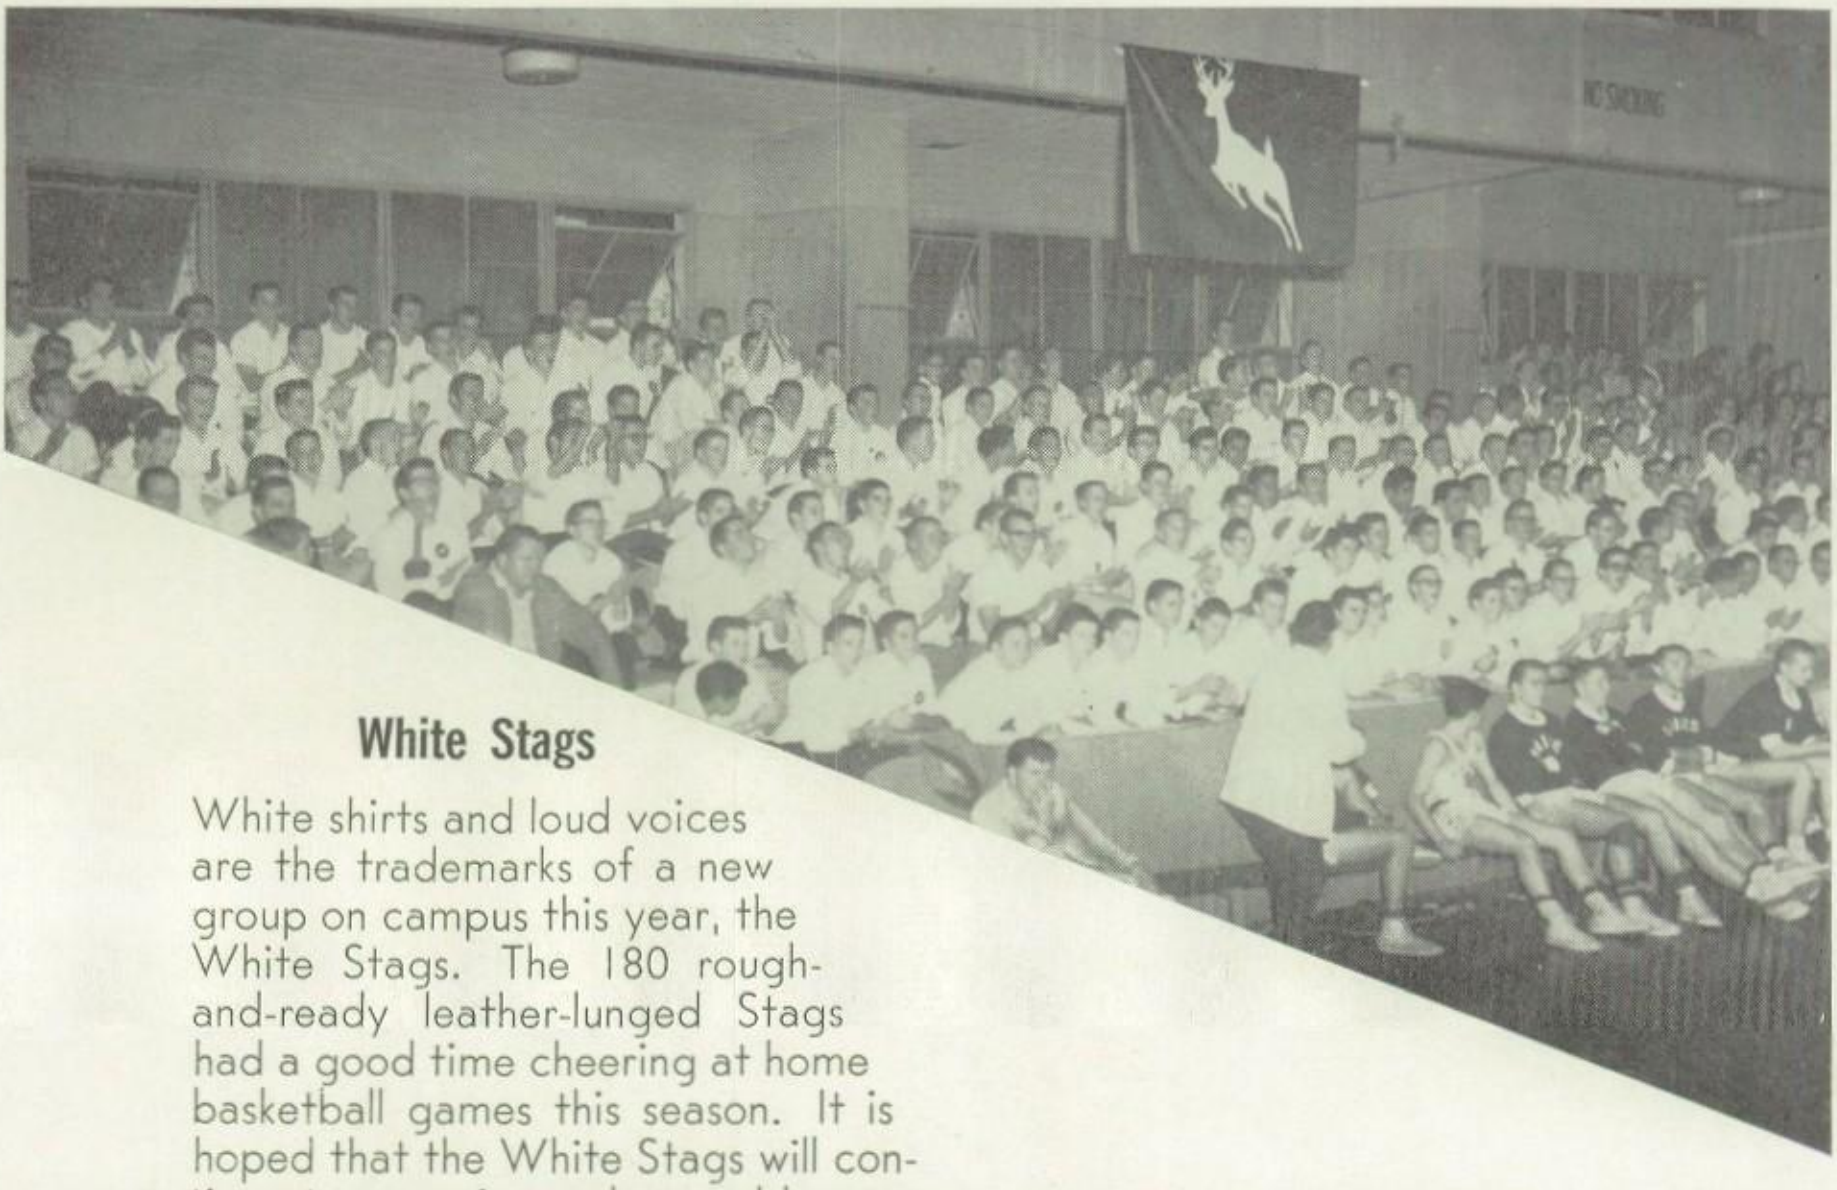
(Bottom row, L. to R.) J. Soltis, R. Tonioni, T. Dunphy, R. Ruggiero, T. Harvey, R. Contreras, R. Chacon, J. Riley, A. Phillips, W. H. Plummer. (Second row, L. to R.) W. Egan, J. Kline, M. Southard, M. Manning, J. Pompilio, A. Cruz, H. Dankowski, J. McRelnolds, E. Wilson. (Third row, L. to R.) R. Frazier, T. Rodriguez, C. Vela, W. Hosking, E. Atha, L. Hendricks, J. Chilcote, J. Adelman, R. Hughes. (Top row, L. to R.) D. Mason, V. Tasselli, S. Walsh, R. Doser, J. Minnott, R. Nickerson, J. Kapphahn, J. Callahan.

The Boys' Band, now in its second year under the direction of Mr. Plummer, is rapidly becoming a major part of the school activity program. The color, spirit, and splendor with which Mr. Plummer and his Saints of Music have performed, exemplify a highly successful school year.

In their new uniforms, the Band played at all the football games, both home and away, the home basketball games, and the girls' Basketball Tournament.

On the more artistic side, they gave the annual Christmas and Spring Concerts in conjunction with the Boys' Glee Club; they performed at the Drama Club's play, "Beginner's Luck"; and, at the Mount St. Mary's Music Festival, they received a superior rating. In addition, they participated in the ceremonies at MARY'S HOUR.

We are all deeply grateful to Mr. Robert Whittaker of the Whittaker Music Co. and to his able assistant, Mr. Rex Bonebreak, who volunteered their services during the absence of Mr. Plummer due to illness.



White Stags

White shirts and loud voices are the trademarks of a new group on campus this year, the White Stags. The 180 rough-and-ready leather-lunged Stags had a good time cheering at home basketball games this season. It is hoped that the White Stags will continue to grow in number and become an important part of what makes a Saint.

Bowling Club

In its first year, the Bowling Club has been a popular activity for energetic senior boys. It consists of six teams, the Vampires, Pinspotters, Leaping Lizards, Quadruplets, Dumbos and Los Caballeros, competing with each other for league and tournament honors.

(1st row) E. Garcia, C. Parslow (Vice-Pres.), E. Harle, R. DeSmet, J. Arias, F. LeonGuerrero, M. Kwan, M. Munsterman, H. Dankowski, W. Hosking, J. Rivera (Sec.-Treasurer). (2nd Row) H. Holmes, R. MOUNTAIN CLIMBING CLUB

J. Kennelly (President), J. Brookhyser, M. Gonsalves (V-President), P. Kiley (Sgt.-at-Arms), M. Whitmore (Sec.-Treasurer).

The Saint Anthony Mountain Climbing Club is at present the only one of its kind on the high school level. This year's members are well experienced in such feats as the ascent of Mount Wilson, 11,000-ft. San Gorgonio Mountain, two trips to Lily Rock in Idyllwild, and the scaling of Suicide Rock. Their two-day trip from 9000-ft. Dollar Lake to the height of San Gorgonio Mountain topped all others with a seven mile hike through snow and twenty-degree weather. Their reward was a spectacular view of the snow-capped High Sierras, Death Valley, Mount Palomar, and Santa Catalina.

National recognition of these accomplishments has appeared in "SEVENTEEN" magazine.

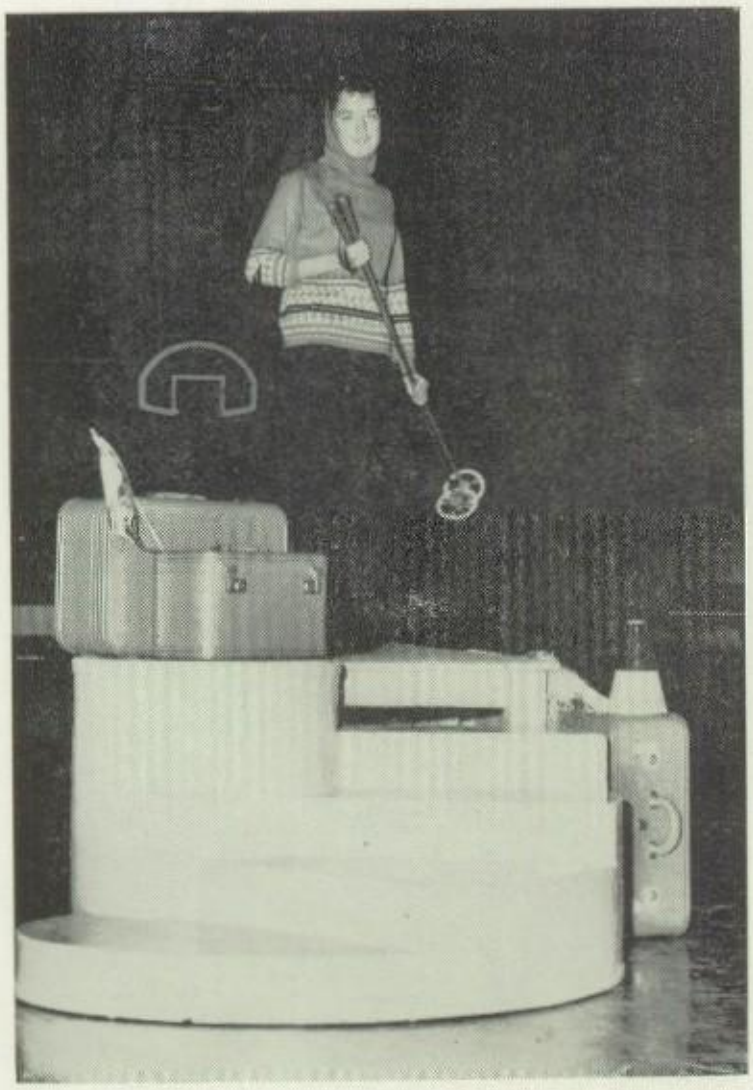
Senior - Freshman Tea



Winter fashions were modeled by Diane Marsh.

The social life of a Saint would not be complete without a fashion show or tea. The Freshman-Senior Tea not only provides the Freshmen with an opportunity to get acquainted but also gives St. Anthony girls a preview of fall fashions.

In April new spring styles were modeled by selected Juniors and Seniors under the direction of our Buffums' Young Careerists, Loretta Fota and Diane Rainboth.

Emphasis was on summer fashions at the Senior-Mother's tea, the culminating fashion show of the year.

Judy Hutchinson displays college fashions.

SAINT OF

Although there are many outstanding Saints at St. Anthony's one student deserves the special distinction of being our SAINT OF THE YEAR. Pat McMahon, receiver of the Seymour Award, National Merit Scholar, third place national winner of the Homemaker of Tomorrow Seach has brought honor to the school and recognition to herself. In addition to her tested scholastic abilities Pat also possesses leadership and those personal qualities which have endeared her to both the faculty and her fellow students.

Mrs. McMahon, Sister Marie Therese and Pat examine the itinerary for Pat's prize trip to New York.

The Betty Crocker Homemaker of Tomorrow certificate is admired by Sister Luke and Pat.

THE YEAR

Pat is shown here holding the Seymour Award, one of the highest awards that can be given to a student. Pat received this award for maintaining a ninety-eight average for her four years of high school.

Senior Saints honor Pat with a corsage and red roses on her return home. Pat responds with a resume of her trip.

ANTHONIAN STAFF

Boys' Sports Editors: Pat Murphree and Ron Merys. Not Pictured: Girls' Sports Editor, Maureen O'Hara.

Anthonian Staff

Staff Members: Dick Welch, Mary Alice Shea, Carole Denham, Ron Schuster, Carol Gergen, Pat McMahon, Tom Keith, Gayle Coates, Eileen Sperry, Vanja Juricev, Marilyn Miller, Sandy DuBois. Missing: Maureen O'Hara, and Patsy Zawisza.

Producing the **Anthonian** this year has almost been more fun than work. While work was started in October, the last minute rush could not be avoided, as much of the material was not available until late Spring. The hours spent by the staff were innumerable and special credit must be paid to the generosity of the Editors, Eileen Sperry and Dick Welch, who worked unselfishly to complete the book.

Business Managers Pat Thompson and Carolyn Foster balance the financial books.

Preparing a section of the Anthonian are Boys' Assistant Editors, Bill Shomber and Ron Schuster, Girls' Sports Editor, Maureen O'Hara; Layout Editor, Marilyn Miller; Gayle Coates, Patsy Zawisza, Vanja Juricev, and Carole Denham.

Tribute

Countess Mary Young Moore, LL.D.

The graduating class and the staff of this **1958 ANTHONIAN** wish to pay special tribute to an outstanding and constant friend of the students of St. Anthony High School. We have derived many benefits from the generous contributions of one who truly realizes the necessity of Christian education. This realization has prompted her to aid our school through the provision of facilities essential in carrying out the physical, spiritual, and mental development of youth. Thus to Papal Countess Mary Young Moore, LL.D., we offer our gratitude and our earnest intention to remember her in our prayers.
